MEMORANDUM

FROM: David Squires, Budget Director

RE: Budgetary Shortfalls/Fund Balance Status

DATE: October 17, 1989

Two budget resolutions will be submitted to the Legislature in November which will require appropriations from the Unappropriated Fund Balance. The status of the Unappropriated Fund Balance is as follows:

Beginning Balance 1989		$2,942,682
Reductions by Resolutions	R-10-89	(5,570)
	R-353-89	(603,337)
		$2,333,775

1. Account A5640—MTA Station Maintenance will require an additional $379,555. The 1989 budget allocated $1,000,000 for payments to MTA for the operation and maintenance of rail stations within the County. Subsequent to the adoption of the budget, MTA billed the County $1,379,555. Both the Finance Commissioner and the Comptroller have reviewed the MTA billing and have been unable to secure an adjustments.

   The Finance Commissioner has requested $379,555 to pay the bill. Further delays in payment of the outstanding bill, could result in the MTA attaching state aid payments to satisfy this obligation.

2. The Department of Social Services has advised that an additional $430,000 in County funds is needed to pay 1989 bills. The shortfall is attributed to an increasing number of homeless in motels and a larger number of children requiring foster care.

The aforementioned budgetary adjustments combined total $809,555. This exceeds the amount presently available in the contingency account therefore, a transfer of Fund Balance is recommended. Action on these requests will reduce the Fund Balance to $1,524,220.
