Article III: RIGHTS OF THE DUTCHESS UNITED EDUCATORS

3.01 Collective Bargaining Rights

The Board of Trustees and DUE hereby agree that educators have the right to form, join, and participate in, or to refrain from forming, joining, or participating in any employee organization of their own choosing for the purpose of engaging in collective bargaining. The Board of Trustees and DUE undertake and agree that they will not directly or indirectly deprive, coerce or harass any educator in the enjoyment of any right conferred upon him/her by the provisions of Article XIV of the Civil Service Law; that they will not discriminate against any educator with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership, or lack thereof, in DUE or his/her participation, or lack thereof, in any lawful activity of DUE or in collective negotiations with the Board of Trustees, or his/her institution of any grievance or complaint under this Agreement. In the event of any inconsistency or conflict between provisions of this Agreement and College policies, the provisions of this Agreement shall apply.

3.02 Membership Dues Deduction

The Board of Trustees recognizes DUE's right to membership dues deductions in accordance with Section 208, Article XIV of the Civil Service Law.

Article IV: DUE BENEFITS

4.01 Use of College Facilities

DUE may use College facilities at all reasonable times, when appropriate space is available, for

the purpose of conducting meetings and the business for which it has been organized. College procedure shall be followed with respect to requesting and using such space.

4.02 Release Time for DUE Leaders

(a) DUE President

A teaching educator serving as President of DUE will be released from six contact hours per academic year, and from registration duties and committee assignments.

(b) DUE Leaders

DUE can buy release time for the DUE executive council members and/or DUE negotiating team committee members at the top part-time teaching rate. DUE may compensate the College for up to four contact hours per semester for fall and spring. Notification to the Office of Academic Affairs regarding release time shall normally be given by 30 days prior to the start of the semester. Payment shall be tendered by the first day of classes of the semester. Under this provision, no leader may be released from more than one class in a given semester.

4.03 Distribution of Agreement

Copies of this Agreement shall be printed by the Board of Trustees and 400 copies shall be given to the Dutchess United Educators. The College shall not be obligated to provide copies of this Agreement to any unit member.

4.04 Academic Calendar

In the development of the Academic Calendar, the views and recommendations of DUE shall be solicited and considered.

Article V: BENEFITS FOR EDUCATORS

5.01 Annual Load Redistribution for Graduate Work, etc.

In order to accommodate teaching educators who wish to take graduate courses, or perform other professionally related activities, said educators, where feasible and consistent with departmental practices, and in consultation with the Dean of Academic Affairs, may elect to teach a maximum of three extra- service contact hours, in the fall semester, without compensation, in order to reduce their required teaching load in the spring semester. In addition, teaching educators, where feasible and consistent with departmental practices, and in consultation with the Dean of Academic Affairs, may teach a maximum of three contact hours in the summer session subsequent to the academic year, without extra-service compensation, in order to achieve a full teaching load for that academic year. It is further understood that if a teaching educator is unable to teach the number of contact hours, in the fall or summer, which are necessary to achieve a full teaching load, as required in their discipline, they will have their annual contract salary adjusted accordingly for that year.

5.02 Tuition Reimbursement

For the period of this contract, sums of money shall be allocated each year for reimbursement of tuition fees for Dutchess United Educators for study as approved by the Dean of Academic Affairs for teaching educators and by the President for non-teaching educators.

For each year of this Agreement, the sum shall be \$35,000. Limitations shall be \$1,400.00 per year to each Educator. Among teaching educators, those taking courses to satisfy promotion and tenure requirements will be given first priority. Guidelines for of this policy will be promulgated by the Board of Trustees.

5.03 Tuition Waiver

The College shall provide a tuition waiver program for full-time educators, their spouses, dependent children, and dependent stepchildren. The waiver of tuition shall be limited to a total budget amount of \$150,000 during each year of the contract. When the limit is reached in any given year, no further waivers will be allowed. The tuition waiver applies to credit courses only.

In a class section where tuition waiver students are enrolled, the College will, where facilities permit, increase the class size above the maximum by a number equivalent to the number of tuition waiver students enrolled in that class section. In no case shall a particular class be increased because of this article by more than three students without the faculty member's approval.

All normal registration procedures will apply to individuals utilizing this benefit.

5.04 DCC Course Enrollment

All members of the bargaining unit will be able to attend any credit class and any job-related credit-free class offered by Dutchess Community College on a space available basis. The conditions under which this benefit may be exercised are: (1) The class hours do not interfere with the performance of a staff member's full-time responsibilities. (2) The staff member would not pay any tuition or registration charges. (3) The Professional Development allowance may be used to purchase texts and/or materials necessary for the class. (4) The staff member would have neither credit nor audit status but, upon successful completion of the course, would have a letter placed in his/her personnel folder verifying this professional development activity. (5) Credit-free courses shall be deemed to be job-related when approved by the staff member's Department Head and the appropriate supervising Dean.

5.05 Vacations, Holidays, Personal Leave, and Compensatory Time for Non-Teaching Educators

(a) Vacations

Non-teaching educators, other than temporary appointments shall be granted 21 working days vacation per year. After five full years of service at Dutchess Community College, non-teaching educators shall be granted one additional vacation day. Non-teaching educators may receive payment for up to five unused vacation days per year at the rate in effect in August of the year in which the days were earned or may carry over up to five unused vacation days which shall be used by May 31 of the following year.

(b) Holidays

There shall be 12 holidays a year.

(c) Personal Leave

The Board of Trustees shall grant non-teaching educators four days of personal leave credit per academic year. In addition, those educators whose religion prohibits them from working on certain days shall be entitled to one day of personal leave per academic year on account of such religious requirement. Additional days may be granted at the discretion of the President. Personal leave shall not be cumulative. Unused personal leave shall not be liquidated in cash at the time of separation, retirement, or death. Unused personal leave, excluding religious holiday leave for continuing employees, shall be converted to sick leave at the end of each academic year. Such leave may be used to conduct personal business, attend to family affairs, observe religious holidays, and similar matters of a private nature.

(d) Compensatory Time

The Board of Trustees shall grant Non-Teaching Educators compensatory time off for additional job related work required to be performed outside of the NTE's regular work schedule.

Such additional required work, whenever feasible, using the College's provided form must be preapproved by the NTE's supervisor and the division VP or designee.

Compensatory time is cumulative up to a maximum of 5 days per fiscal year. The College's unit for computation of accrual shall not be less than one half hour. Required attendance on a non-work day will accrue a half day for up to 3.5 hours of work and a whole day for work in excess of 3.5 hours.

Accrued compensatory time that is unused at the end of the fiscal year must be taken within the first 45 days of the new fiscal year and shall not be liquidated in cash at any time.

(e) Increments for Time Usage

Vacation, compensatory, and personal leave time may be taken in 15 minute increments.

5.06 Bereavement Leave

Bereavement leave is the absence due to the death of an educator's mother, father, mother-in-law, father-in-law, husband, wife, domestic partner, siblings, children, grandparent, grandchild, or other dependents or household members. Educators may use up to four (4) paid bereavement days for each loss.

5.07 Sick Leave for Teaching Educators

(a) Sick Days

The Board of Trustees agrees that educators with 10 month responsibilities shall be granted 10 working days sick leave with pay for each year of service. Sick leave accumulation begins at the time of initial employment as a full-time member of the professional staff and is cumulative to a maximum of

165 working days. The College's unit for computation shall not be less than one-half day. Temporary full-time faculty who are appointed to a full-time tenure track position without any break of service shall be credited with unused sick leave which was accrued and unused during the temporary full-time employment. This provision shall be applied prospectively only to current and future eligible temporary full-time faculty.

(b) Continuing Personal Illness

If an educator is unable to perform his duties because of a continuing personal illness and has exhausted accumulated sick leave benefits, the President will, upon the presentation of a physician's statement verifying such personal illness, grant the educator an additional period of sick leave of up to five days beyond the benefit that has been accumulated. In instances where the additional benefit authorized by the President is not sufficient to cover the period of extended illness without loss of salary, the Board of Trustees may, upon the presentation of a physician's statement attesting to a continued personal illness which could preclude satisfactory job performance, grant full-time educators additional sick leave, with pay up to six months or up to the time that long-term disability insurance becomes effective--whichever is sooner. Such authorization shall not be unreasonably denied.

(c) Income Benefits through Long-Term Disability Plan

Monthly income benefits provided through the long-term disability plan will be 60 percent of the first \$5,000 of monthly salary base with a maximum payment of \$3000 monthly.

(d) Accumulated Sick Leave Death Benefit

Upon the death of any educator while in service at the College, payment up to 40 days of any remaining accumulated sick leave will be paid by the College to his/her estate, at the rate of \$50 a day.

(e) Unused Sick Leave upon Retirement

Upon retirement, educators with unused days of sick leave and 10 years of credited full-time service shall be paid one day for each three unused sick days, up to a maximum of 45 days.

Payment to teaching educators for unused days of sick leave shall be 1/180 of their final salary per day. Such calculations shall have no bearing on the number of required work days per year.

(f) Uses of Accumulated Sick Leave

Accumulated sick leave may be used for personal illness, family illness, and for bereavement. Family illness is illness of a parent, spouse, or child.

5.08 Sick Leave for Non-Teaching Educators

(a) Sick Days

The Board of Trustees agrees that educators with 12 month responsibilities shall be granted twelve working days sick leave with pay for each year of service. Sick leave accumulation begins at the time of initial employment as a full-time member of the professional staff and is cumulative to a maximum of 165 working days. The College's unit for computation shall be in 15 minute increments.

(b) Continuing Personal Illness

If an educator is unable to perform his duties because of a continuing personal illness and has exhausted accumulated sick leave benefits, the President will, upon the presentation of a physician's statement verifying such personal illness, grant the educator an additional period of sick leave of up to five days beyond the benefit that has been accumulated. In instances where the additional benefit authorized by the President is not sufficient to cover the period of extended illness without loss of salary, the Board of Trustees may, upon the presentation of a physician's statement attesting to a continued personal illness which could preclude satisfactory job performance, grant full-time educators additional sick leave, with pay up to six months or up to the time that long-term disability insurance becomes effective--whichever is sooner. Such authorization shall not be unreasonably denied.

(c) Income Benefits through Long-Term Disability Plan

Monthly income benefits provided through the long-term disability plan will be 60 percent of the first \$5,000 of monthly salary base with a maximum payment of \$3000 monthly.

(d) Accumulated Sick Leave Death Benefit

Upon the death of any educator while in service at the College, payment up to 40 days of any remaining accumulated sick leave will be paid by the College to his/her estate, at the rate of \$50 a day.

(e) Unused Sick Leave upon Retirement

Upon retirement, educators with unused days of sick leave and 10 years of credited full-time service shall be paid one day for each three unused sick days, up to a maximum of 45 days.

Payment to non-teaching educators 1/210 of their final salary per day. Such calculations shall have no bearing on the number of required work days per year.

(f) Uses of Accumulated Sick Leave

Accumulated sick leave may be used for personal illness, family illness, and for bereavement. Family illness is illness of a parent, spouse, or child.

5.09 Sabbatical Leave

(a) Eligibility

The Board of Trustees agrees that every tenured teaching educator having six years of consecutive service shall be eligible for sabbatical leave. Consecutive service shall be defined as years of full-time service in tenure track or continuing appointments. Further, full-time non-teaching educators, on other than temporary contracts or grant-funded appointments, having six years of consecutive service shall be eligible for sabbatical leave.

(b) Maximum Number of Sabbatical Leaves, Duration, and Salary

The Board of Trustees agrees that sabbatical leaves may be given up to a maximum of five percent of the teaching educators each academic year consistent with the requirements of the College. Those teaching educators granted full-year sabbaticals shall receive 50 percent of their base salary for that period. Those teaching educators granted half-year sabbaticals shall receive 100 percent of their

base salary for that period.

Non-teaching educators may be granted sabbatical leaves ranging from one month to 12 months in duration. Those granted sabbaticals of up to six months will receive 100 percent of their base salary. Salary will be prorated for those granted sabbaticals of longer than six months, with half pay for 12 months.

(c) Half-Year Sabbaticals

Those taking half-year sabbaticals during the spring semester shall not be required to return to work following the Christmas break if the Dean of Academic Affairs approves.

(d) Full-Year Sabbaticals

The Board of Trustees encourages full-year sabbatical proposals from teaching educators.

(e) Sabbatical Leave to Provide Additional Qualifications

Up to two additional sabbaticals beyond the five percent may be available each year designed to provide additional qualifications to teach in a different discipline: for full-time tenured teaching educators with at least 10 years of continuing full-time teaching experience at Dutchess or permission of the Dean of Academic Affairs, not eligible for sabbaticals under the regular process, unable to be assigned a full teaching load, and facing the prospect of termination. Application for such a sabbatical must be with permission of the President and must be in a field in which there is an institutional teaching need.

(f) Severance in Lieu of Sabbatical Leave

In lieu of applying for such a sabbatical, the individual in question may choose, with the approval of the President, to receive 50 percent of his/her last year's base salary as severance at the conclusion of his/her 12 month notification year (last year). Such payments shall be subject to all applicable federal, state, and local taxes and other payroll deductions.

Individuals who are approved to receive severance will be continued in the College's Health Insurance Program pursuant to COBRA legislation. The College will pay for the first six months of continued coverage.

5.10 Personal Leave for Teaching Educators

The Board of Trustees shall grant teaching educators three days of personal leave credit per academic year. In addition, those educators whose religion prohibits them from working on certain days shall be entitled to one day of personal leave per academic year on account of such religious requirement. Additional days may be granted at the discretion of the President. Personal leave shall not be cumulative. Unused personal leave shall not be liquidated in cash at the time of separation, retirement, or death. Unused personal leave, excluding religious holiday leave, for tenured and continuing employees, shall be converted to sick leave at the end of each academic year. Such leave may be used to conduct personal business, attend to family affairs, observe religious holidays, and similar matters of a private nature.

5.11 Maternity and Paternity Leave

(a) Granting Leave Upon Birth or Adoption of a Child

The Board of Trustees shall grant educators a leave of absence without pay upon the birth of a child or adoption of a preschool age child. Such leave may commence prior to the actual date of birth or adoption as may be mutually agreeable. Leaves under this provision shall not exceed one year.

(b) Extension of Maternity or Paternity Leave

Extension of such leaves of absence may be granted by the Board of Trustees. Such requests shall not be unreasonably denied.

(c) Use of Accumulated Vacation Leave Credits

Accumulated vacation leave credits as may be available may be used to reduce the amount of leave without pay.

(d) Use of Accumulated Sick Leave Credits

Accumulated sick leave credits as may be available may be used to reduce the amount of leave without pay, upon competent medical proof that such educators are unable to perform their regular duties.

(e) Leave Granted to Temporary Full-Time Educators

Maternity and paternity leave granted to temporary full-time educators shall be considered as employment for the purposes of calculating maximum years of temporary full-time employment.

5.12 Jury/Court Appearances/Military Duty

Educators scheduled for jury duty; those required to appear in any court or before any administrative agency of the Federal, State, or local government; and those called to military duty shall be excused from professional responsibilities for such appearances. Compensation, if any, received for jury duty shall be remitted to the College.

5.13 Leave Without Pay

(a) Grant of Leave of Absence Without Pay

The President and the Board of Trustees may, upon request by an educator, grant a leave of absence without pay. Such requests shall not be unreasonably denied. Leaves of absence up to 30 calendar days duration may be approved by the President without approval by the Board of Trustees. During such leaves, fringe benefits will be continued. Health insurance will be continued for a maximum of six months. Educators on unpaid leave shall retain but shall not accrue credit, as applicable, toward tenure or sabbatical leave.

(b) Return from Leave

This benefit will cease if the educator accepts other employment with an employer who provides health insurance benefits

(d) Maximum Payment

(e) Notice of Early Retirement

Teaching educators expecting to receive Early Retirement incentives must give notice of Early Retirement to the College President at least nine months prior to their retirement date. NTEs expecting to receive Early Retirement incentives must give notice of Early Retirement to the President at least five months prior. Educators shall receive such incentive in one, two or three payments. The specific dates will be determined with each educator. Such payments will be subject to applicable IRS regulations.

(f) Payment Subject to Tax

Payments shall be subject to all applicable Federal, State and local taxes and other payroll deductions.

(g) Extended Early Retirement

Teaching educators who choose early retirement may, at the time of application, also apply for Extended Early Retirement, in which case they would remain on the faculty as half-time lecturers with half their annual salary calculated on the basis of the first step of the rank which they had achieved at the time of application. Teaching educators opting for Extended Early Retirement may continue in this state from the time they receive their incentive for a period of up to five years or until they file for retirement benefits, whichever comes first. The Extended Early Retirement may begin up to one year after the

receipt of Early Retirement incentive. The five years additional teaching need not be done on a continuous basis.

Teaching educators granted Extended Early Retirement will be responsible to maintain and post office hours, in a distribution approved by the department head, not to exceed one-half the amount normally expected of a full-time faculty member. Educators will also be responsible for student advisees, in a distribution approved by the department head, not to exceed one-half those normally assigned to a full-time faculty member. Educators may serve on College committees if appropriate and agreed to by the educator and the department head.

It is further understood that, as half-time lecturers, teaching educators no longer occupy tenure track positions and are not eligible for the benefits and privileges of full-time permanent faculty with the exception of health benefits outlined in Subsection (a).

(h) Sick Leave for Half-Time Lecturers

Half-time lecturers shall be granted sick leave of one class hour per semester for each class hour taught per week.

Upon the death of an educator who has retired, health insurance will continue to be fully paid for the surviving spouse for three full calendar months.

Educators who choose regular retirement are encouraged to give one semester notice to the College.

The Board of Trustees shall provide proper academic attire, without expense to educators, in accordance with protocol required for convocations or commencement exercises.

5.19 Life Insurance:

Term life insurance will be provided for each educator during the life of this Agreement. Such insurance will be provided in an amount equal to one times the educator's base salary rounded to the nearest thousand dollars.

5.20 Flexible Benefits:

Individuals are able to designate an amount of pre-tax compensation to a flexible spending account. The amount, which will be limited by IRS guidelines, may be used for IRS approved dependent care expenses and non-reimbursed medical, dental and vision care expenses.

Monies designated to these accounts, but not used during the year, cannot be returned to the individual.

Article VI: RESPONSIBILITIES AND PRACTICES OF EDUCATORS

6.01 Outside Compensated Activities

Full-time employment by the College shall be considered the basic full-time employment of all educators. In the performance of his/her specific and individual duties and obligations to the College, the educator shall be regarded as an employee of the College. He/she shall be responsible to his/her immediate supervisor, to the appropriate Dean and to the President of the College, and to the Board of Trustees, as the case may be. Educators may engage in outside compensated activities provided such activities do not interfere with their teaching effectiveness or College duties and responsibilities. Educators engaging in outside compensated activities shall notify the President prior to the acceptance of such commitments and shall specify in writing their exact nature and duration. After stating the reasons, the President may withhold approval of such activities or request their discontinuance.

6.02 Professional Obligations

The professional obligations of teaching educators shall include no more than five working days beyond the time between the first day of classes in the fall and graduation in the spring. The specific dates of obligation will be stated in the academic calendar.

The professional obligations of non-teaching educators shall be from September 1 until the following August 31.

6.03 Annual Federal and/or State Mandated Training

All full-time educators will complete two hours of mandated federal/state training as part of their professional responsibilities. If additional training is required, the College will pay at the individual's prevailing non-teaching assignment rate. If 30 lecture hours are taught in any discipline in a year, it shall be considered a full load. In those disciplines where the annual load is 33, if the amount of laboratory hours taught in a year is three or less, then 30 contact hours shall be considered a full load.

6.05 Contact Hour Adjustment

(a) Intention

The intention of this contact hour adjustment formula is to provide, where possible, an alternative to retrenchment, program or course cancellation, or other special cases.

(b) Option of Teaching Other Courses

The faculty member shall be given the option of teaching other courses where feasible and appropriate.

(c) Problem Resolution

Problems that may arise concerning the implementation of this formula shall be resolved by mutual agreement between DUE and the College.

(d) Formula Guideline

The following formula shall serve as a guideline:

(1) For a typical three lecture hour/three credit course, a faculty member would receive:

- a) one contact hour of credit or salary for two to four students,
 - b) two contact hours of credit or salary for five to eight students,
 - c) and the full three contact hours if nine or more students were enrolled in the class.
- (2) Credit for laboratory contact hours shall follow the same formula as described in part 1 above.

6.06 Evening Assignments to Make Full Load

Teaching educators for whom it is not possible, under good administrative and educational practice, to assign a normal teaching load may be assigned evening courses or other professional duties, without additional compensation, at the discretion of the Dean of Academic Affairs and support of the appropriate department head. Past departmental practices will be followed. In the event that evening assignments become necessary for a teaching educator to make full load, past departmental practices may be waived by the Dean of Academic Affairs.

6.07 Office Hours

Normally, teaching educators shall maintain and post four office hours per week on four different days for the purpose of advising and assisting students with their course work. Office hours should not be scheduled during the times reserved for College Activities, All-College Programs, or Student Activities. Office hours should be chosen with the schedules of students in mind. During a one-week period each fall and spring semester designated as "Advisement Weeks," teaching educators will maintain and post two additional hours during the times reserved for College Activities, All-College Programs, or Student Activities, to accommodate advisees' schedules. Exceptions may be made with the approval of the Dean of Academic Affairs.

6.08 Advisees

Teaching and non-teaching educators will be responsible for the academic advisement of full-time students. Normally, educators shall be assigned no more than 25 students as advisees per semester as of the end of the third week of classes. Exceptions may be made upon request of the educator to the Dean of Academic Affairs. Educators will be expected to devote an appropriate period of time as outlined in the Professional Staff Handbook advising their assigned advisees; such time not to include that spent in student conferences related to instructional and course work. Educators will assume responsibility for contacting their assigned advisees and taking any required initiative to assure that effective advisor-advisee relationships and records are developed and maintained as outlined in the Professional Staff Handbook. An educator's area of expertise and his/her area of interest will be considered, whenever possible, in the assignment of advisees.

6.09 Master Schedule Guidelines

(a) Room Assignments

Classes should be assigned to rooms and laboratories which can properly accommodate them.

(b) Same Room for Lecture Sessions

To the extent possible, a class should be assigned to meet in the same room for all its lecture sessions.

The regular College teaching day shall begin at 8:00 a.m. and terminate at 5:00 p.m. Teaching educators shall normally have instructional responsibilities scheduled five days a week and shall be on campus as required to perform their professional obligations. In the interest of permitting graduate study or other professional work, or adjusting an underload, or meeting an unanticipated educational need, exceptions to this guideline may be made with the approval of the Dean of Academic Affairs and the appropriate department head.

(d) Splitting Courses between Day and Evening

The College will not split evening courses (i.e., those beginning after the hours of the regular teaching day as specified above), or day lecture courses without the agreement of the individual concerned in order to achieve a full teaching load. Exceptions may be made for courses which are appropriate for team teaching or are agreed to by the teaching educator(s) concerned. Teaching educators shall generally have classes scheduled within a six-hour spread. The assignment of teaching educators up to an eight-hour spread by the Dean of Academic Affairs is permissible in order for the teaching educators to make full load.

(e) Special Scheduling Requirements

Department heads, after consulting with program chairpersons and other teaching educators, shall inform the Director of Scheduling in writing of any special scheduling requirements for courses offered by their respective departments at least eight weeks before the end of the semester prior to the semester for which the request is made. Such requests shall include items requiring special consultation, or for which special arrangements must be made.

The approved Educator will attend all of the required training sessions. The Associate Dean of Academic Affairs or his/her designee will mentor the Educator when needed.
- ii. During the one semester of training/preparation to offer his/her first online learning course, the Full-Time Educator will be paid for three (3) lecture hours at the appropriate extra-service teaching rate to be paid upon verified completion of the training/preparation. This payment shall be for learning and applying the CMS and relevant pedagogy to teach an online course.
- iii. For any subsequent online learning course(s) taught by a Full-Time Educator, or for course development by a Full-Time Educator with documented prior training in an appropriate CMS, one (1) lecture hour at the appropriate teaching rate will be paid to the Educator in the preparation semester for applying the appropriate CMS and relevant pedagogy to the development of each additional online learning course.
- iv. The Full-Time Educator teaching an online course must have specific course information including a syllabus, schedule, and introductory announcement placed in the CMS at least one week before the commencement of the semester in which the course is to be taught.

(e) Formal Observation

Those Educators teaching both onsite and online courses shall have an online course be used at least once every three years for their formal class observation.

(f) Teaching and Student Load Limitations

- i. Online learning courses being taught during the Spring and Fall semesters can be considered part of the Full-Time faculty member's regular load. They may also be taught as extra-service for Full-Time Educators. Limitations for teaching online learning courses throughout the year are defined in the following table:

	Fall Semester	Spring Semester	Winter Term	Summer Sessions
Faculty	2 sections on	2 sections on	1 section as	2 sections per

	load and 2 as extra-service	load and 2 as extra-service	extra-service	session as extra-service, not to exceed the cost of 12 lecture hours for entire Summer

Thereafter, the maximum enrollment for internet-based distance learning courses shall be: 90% of the maximum for the regular course if the maximum is 20 students or less and 80% of the maximum for the regular course if the maximum is 21 students or more. The supermax for all distance learning courses shall be an additional one (1).

(g) Intellectual Property

The College has the rights to the course outline, the orientation documents, and the sequencing of the content material; however, the specific assignments, discussion questions, or other Educator generated academic content remain the intellectual property of the Full-Time Educator.

(h) Waiver

The Office of Academic Affairs may waive the requirements / limitations in Sections 6.10(a), 6.10(c).i., and 6.10(f).i. with the approval of DUE and the Full-Time Educator. A formal waiver process shall be jointly approved by DCC and DUE within 6 months of this agreement's approval.

6.11 Work Week for NTEs:

The Trustees acknowledge the College's obligation to establish reasonable weekly workloads for non-teaching educators with full recognition on the part of DUE that there may be critical periods during which the established workloads may be exceeded. Normally, except in cases of institutional or student need, non-teaching educators shall be scheduled to work Monday through Friday from 9:00 a.m. to 5:00 p.m.

Initiating with the first full work week in June and ending with the last full work week in August, NTEs may work a four-day, 40 hour work week including 1 hour and 15 minutes lunch daily with their consent and with the approval of the appropriate Dean. Sick days, personal days, and leave days taken during a four-day work week shall be adjusted accordingly.

In the event that the College is closed on Fridays during the summer, NTEs will have the option

of working an extended four-day work week, using approved leave time or taking Friday as an unpaid day. Sick days, personal days, and vacation days taken during a four-day work week will be adjusted accordingly.

To this end, each year the Board of Trustees shall provide for the promotion of those full-time teaching educators eligible and qualified for promotion in rank to the extent that positions are available to support such promotions. Availability of positions will be determined by budgetary criteria.

(b) Committee on Promotion and Tenure

A Committee on Promotion and Tenure shall be established to advise the President and Board of Trustees on all matters having to do with promotion of teaching educators, granting of continuing appointments and non-reappointment of continuing appointments. The Committee shall consist of 10

tenured faculty members--one from each department --with one-half elected annually by the teaching educators. Each department will elect its representative through a process conducted by the office of the Dean of Academic Affairs. Department heads will be ineligible to serve if they have candidates for promotion or tenure from their department. No faculty member will be allowed to serve more than two successive two-year terms. No candidate for promotion shall serve on the committee during the period of his/her candidacy for promotion.

(c) Departmental Consideration for Promotion and Tenure

(b) Payment for Preparation and Reproduction of the Record

The Board of Trustees agrees to pay for the preparation and reproduction of the record in sufficient quantities in any hearing resulting from action taken by the Trustees to terminate the continuing appointment of a teaching educator. The Trustees also agree to pay up to a maximum of \$1,000 for mileage at the I.R.S. rate for witnesses required in any one proceeding.

7.05 Non-Renewal of Appointments of Non-Tenured Teaching Educators

(a) Advised of Criteria and Procedures

At the time of initial appointment, teaching educators will be advised of the criteria and procedures employed in decisions affecting renewal.

(b) Annual Conference with Department Heads

To facilitate adequate consideration of the performance of teaching educators with reference to the criteria in effect, department heads will be required to confer annually with teaching educators on term appointments.

(c) Advised of Time that Decisions Concerning Renewal and Non-Renewal are Made

Teaching educators will be advised of the time that decisions concerning renewal and non-renewal of appointments are generally made, and be given an opportunity to submit material relevant to the adequate consideration of their performance and qualifications.

(d) Notice of Negative Recommendation

In the event a recommendation not to renew an appointment is made, the teaching educator involved will be informed of the negative recommendation in writing by the President, and upon request, will be advised of the reasons which contributed to the negative recommendation. If a positive recommendation is denied, the reasons will be given by the Board of Trustees.

(e) Review of Negative Decisions by Committee on Promotion and Tenure

The Committee on Promotion and Tenure shall review negative decisions if the affected teaching educator so requests in writing, on grounds of inadequate consideration, discrimination, or violation of academic freedom. Such requests shall be made within thirty (30) days of receipt of the negative decision. Committee recommendations shall be submitted as per 7.2(e) of the Agreement.

7.06 Retrenchment

(a) Retrenchment of Teaching Educators

In instances where financial exigencies may require the reduction of faculty, seniority in time of service at the College, and rank shall be the factors in determining who shall be retained within academic disciplines. Faculty who are non-tenured shall be released first.

The College will give those educators thus affected written notice thereof, by registered mail, one year prior to the date of retrenchment. Retrenched educators shall be placed on a recall list for two years and reinstated in inverse order of retrenchment.

For a period of two years following retrenchment, full-time faculty shall not be replaced with temporary full-time faculty or with part-time faculty whose aggregate work load is equivalent to a full-time teaching load. Once there is a full-time teaching load for which the retrenched faculty member is qualified, retrenched faculty shall be recalled.

The College will support opportunities for retraining any educator facing retrenchment through the use of existing mechanisms such as sabbatical leaves, tuition reimbursement, Improvement of Instruction Grants, and other similar professional staff development programs.

(b) Retrenchment of Non-Teaching Professionals

The services of any non-teaching educators may be terminated in the event of financial or program retrenchment. If it is anticipated that such retrenchment is necessary, the President shall meet with the appropriate DUE representative prior to implementing the retrenchment policy and follow the policy for reducing NTEs.

Retrenchment will be made in inverse order by title by department. All temporary employees will be retrenched first, followed by part-time employees, followed by full-time employees in the title

retrenched.

Seniority shall be defined as full-time length of service in a position that is included in the DUE bargaining unit. Service in a non-DUE bargaining unit position shall not be considered towards seniority. However, if a DUE member leaves or previously had left a DUE position for a non-DUE College position, seniority prior to leaving shall be retained, provided the member returns to a DUE bargaining unit position within one year after leaving.

Any member who is retrenched may not displace employees in a separate department, but will be given consideration for any available position at the College the member is qualified to fill. For the purposes of this article, qualifications for a position will be determined by the College. The determination of whether to fill any position shall be at the sole discretion of the College.

The College will cover health insurance costs for up to three months for NTEs on the retrenchment list.

If an individual NTE's employment is to be terminated because of financial or program retrenchment, the NTE shall be notified as far in advance as possible by certified mail, but must be given at least ninety (90) days advance notice of the date of termination.

In the event that retrenchment employees shall be paid for leave accruals pursuant to and/or as limited by the Collective Bargaining Agreement.

If within two (2) years of the date of termination the position of the retrenched NTE is reinstated, the individual who has had employment terminated for this position shall be offered reinstatement in inverse order of retrenchment. Refusal of such offered position shall terminate the retrenched member's recall entitlement hereunder.

For the purposes of this article, the following departments are recognized:

- a. Academic Services and Testing
- b. Admissions
- c. C-Step

APPENDIX A – ACADEMIC FREEDOM

All parties to this Agreement endorse the following American Association of University Professors (AAUP) Statement on Academic Freedom:

- A) Teachers are entitled to full freedom in research and in the publication of the results, subject to the adequate performance of their other academic duties; but research for pecuniary return should be based upon an understanding with the authorities of the institution.
- B) Teachers are entitled to freedom in the classroom in discussing their subject, but they should be careful not to introduce into their teaching controversial matter which has no relation to their subject. Limitations of academic freedom because of religious or other aims of the institution should be clearly stated in writing at the time of the appointment.
- C) College and university teachers are citizens, members of a learned profession, and officers of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they should remember that the public may judge their profession and their institution by their utterances. Hence, they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not speaking for the institution.

- b. If the total number of lecture hours is more than the total laboratory hours and the difference is more than six hours, 100% of the extra-service will be paid as lecture hours.

In the above case, if the difference is six hours or less, payment for annual extra-service will be prorated.

- c. If the total number of laboratory hours is more than the total number of lecture hours and the difference is more than six hours, 100% of the extra-service will be paid as laboratory hours.

In the above case, if the difference is six hours or less, payment for extra-service will be prorated.
