This public open house is part of the Downtown Parking Improvement Plan, a planning project conducted jointly by the City of Poughkeepsie, Dutchess County Transportation Council, and a consulting team. The plan is intended to identify ways to ensure that the downtown parking system is being operated and managed in an efficient and effective manner. This project is funded through the Federal Highway Administration (FHWA) as part of the Transportation Council's metropolitan planning program.

Local residents, employees and business owners are encouraged to attend!
