Public Notice

Federal Fiscal Year (FFY) 2017-2021 Transportation Improvement Program (TIP) Amendment # 17-03

May 22, 2017

The Dutchess County Transportation Council (DCTC) proposes an amendment to the [Federal Fiscal Year \(FFY\) 2017-2021 Transportation Improvement Program \(TIP\)](#): the five-year capital program that assigns federal funds to transportation projects located in Dutchess County. The Transportation Council periodically updates the TIP to add new projects, remove existing projects, or change a project's cost, schedule, or scope. Significant changes are classified as amendments and require that the Transportation Council hold a 15-day public comment period prior to action.

Amendment #17-03 adds funding for a bridge replacement on Route 115 over the Little Wappinger Creek in the Town of Pleasant Valley (PIN 800908), adds TAP funding for pedestrian improvements on Route 9 in the Town of Hyde Park (PIN 876190), adds repurposed earmark funding to improve pedestrian safety and accessibility at various intersections in the Village of Red Hook (PIN 876148) and also to upgrade sidewalks along Route 9D at various locations in the Village of Wappingers Falls (PIN 876174), and adds funding to resurface certain state highways in Dutchess County that are in need of corrective pavement treatment (PIN 881321). Please see the attached TIP sheet for more information.

About the DCTC: Established in 1982, the DCTC serves as the designated Metropolitan Planning Organization (MPO) for Dutchess County. Federal law requires that all Urbanized Areas, U.S. Census defined metropolitan areas with over 50,000 people, be represented by a MPO, which is responsible for ensuring that Federal transportation dollars (highway and transit) are committed through a locally driven, comprehensive planning process. The DCTC includes representatives from local municipalities, the New York State Department of Transportation, and the Metropolitan Transportation Authority.
