## County Leaders Name Dutchess County Executive Molinaro to Board

Dutchess County Executive Marcus Molinaro has been appointed to serve on the New York State Association of Counties' Board of Directors.

"I look forward to working with my fellow board members and county leaders from across the state on the important issues that impact us all," said Molinaro.

Molinaro will work with the NYSAC Board to uphold the organization's mission to represent, educate, and advocate for New York's counties and the thousands of elected and appointed county officials who serve the public. In 2015, the association will celebrate its 90<sup>th</sup> anniversary.

Molinaro was first elected to be Dutchess County Executive in November 2011. He took office in January 2012. At the age of 36, he was the youngest County Executive in Dutchess County history. Prior to serving as County Executive, Molinaro spent six years representing the 103<sup>rd</sup> District in the New York State Assembly.

"County Executive Molinaro's knowledge of and experience in local and state government will be an asset to the association as we advocate for the needs of New York's counties and taxpayers in 2015," said NYSAC President Anthony Picente.
