

COUNT INSTRUCTIONS

Please review these instructions and the forms before going to the count site.

Items you should bring to the site include:

1. These instructions
2. Count forms
3. Location map (to confirm where you should be counting)
4. Clipboard (or hard magazine/book and clip to attach forms)
5. Pen or pencil and a spare
6. Watch/phone to record 15 minute intervals
7. Camera / phone with camera to take a location photo
8. Optional: snacks, water, folding chair, bug spray (whatever you need to be comfortable!)

Once you've reached the site please ensure your safety. Be aware of your surroundings.

It is best to arrive at the site 10-15 minutes before the count period. Once you've arrived:

- Find a safe location to conduct the counts.
- Try to stand/sit so you are out of the way of people on the sidewalk.
- Make sure you can see the entire area or intersection you are counting.
- Record the background information at the top of the count/survey form.
- Take a photo of the count location.

If people ask what you are doing, here's a sample response:

"I'm counting people walking and bicycling to support the Pedestrian & Bicycle Plan for Dutchess County. The information will be used to better understand where people walk and bike, and how many people are walking and bicycling."

You can give them Emily's contact info (below) if they have further questions.

If someone else is counting your location after you, please tell Emily if you needed to adjust your location or encountered any issues so she can let the other counter know.

After completing your counts, enter your x/y coordinates on your form (click on your specific location in Google maps and copy the 41.xxxxx, -73.xxxxx).

Please email/fax/mail your forms and location photo to Emily Dozier **within one week**.

Emily's contact information:

Dutchess County Transportation Council
85 Civic Center Plaza, Suite 107
Poughkeepsie, NY 12601
Phone: (845) 486-3600 Fax: (845) 486-3610
Email: edozier@dutchessny.gov
