February 8, 2019

The Dutchess County Transportation Council (DCTC) proposes an amendment to the [Federal Fiscal Year \(FFY\) 2017-2021 Transportation Improvement Program \(TIP\)](#): the five-year capital program that assigns federal funds to transportation projects located in Dutchess County. The Transportation Council periodically updates the TIP to add new projects, remove existing projects, or change a project's cost, schedule, or scope. The Transportation Council classifies significant changes as amendments that require a 15-day public comment period prior to action.

Amendment #17-07 replaces an existing highway project in the Town of Pawling with a new project. Please see the attached project listing for more information on the proposed changes.

About the DCTC: Established in 1982, the DCTC serves as the designated Metropolitan Planning Organization (MPO) for Dutchess County. Federal law requires that all Urbanized Areas, U.S. Census defined metropolitan areas with over 50,000 people, be represented by a MPO, which is responsible for ensuring that Federal transportation dollars (highway and transit) are committed through a locally driven, comprehensive planning process. The DCTC includes representatives from local municipalities, NYSDOT, and the Metropolitan Transportation Authority.
