Volunteering with the Dutchess County Office for the Aging

Friends,

We at the Office for the Aging could not provide many of our essential services for Dutchess County's senior population without the hard work of hundreds of volunteers. Their work benefits not just seniors, but the entire Dutchess community, with the annual value of Office for the Aging volunteers' work coming to well over \$1 million.

Regardless of your age, skills, or ability to travel, the Office for the Aging offers ways for you to help. Please read more about the opportunities available, and feel free to get in touch with us with any questions.

Best regards,

A handwritten signature in black ink, appearing to read "Todd N. Tancredi".

Todd Tancredi, Director
Dutchess County Office for the Aging

Note: Many OFA volunteer opportunities have been suspended or reduced in scope due to the COVID-19 pandemic, while the need for volunteers in other areas has grown tremendously. We need volunteer help, now more than ever.

Home Delivered Meal Drivers

Our drivers deliver thousands of nutritious meals every week, in all areas of Dutchess County. Since the coronavirus/COVID-19 pandemic began, the number of homebound seniors has grown greatly, and the need for home delivered meals has likewise more grown. Volunteers have been stepping up to meet the need, and we anticipate needing more volunteers for the foreseeable future.

Seniors tell us they look forward not only to the food, but to our delivery staff. For many seniors who live alone, the visit from our driver may be their only contact with people, and that period of socialization is key to helping seniors continue to live safely at home for as long as possible, particularly when physical separation is key to safety and making social connections becomes more difficult.

Health Insurance Counseling

Volunteers are always welcome in our Health Insurance Information, Counseling and Assistance Program (HIICAP). No prior health insurance business experience needed; training and certification are provided. Our HIICAP volunteers provide impartial information about Medicare, Medigap policies and supplemental choices, Medicare Advantage Programs, other insurance questions, Medicare Prescription Drug Plans, EPIC, benefit programs and long term care insurance choices.

As of September 2020, our health insurance counseling is being done remotely.

Office Help

Keeping Dutchess County's estimated 60,000 seniors informed means a lot of correspondence to prepare, envelopes to stuff, and brochures to arrange. Help us communicate with your senior friends and neighbors!

Since the pandemic began, we've increased our correspondence with Dutchess County's seniors, so our need for volunteer office help has grown as well.

Our facilities in Poughkeepsie are equipped for safe social distancing.

OFA Events

Due to the pandemic, the annual Office for the Aging Senior Picnic program was replaced for the Summer 2020 season with a series of "drive-thru picnics." We anticipate needing volunteer help for the 2021 picnic season, whether they be drive-thru events or traditional Senior Picnics. We also host other events in Dutchess County that require volunteer help. Volunteers of all ages are welcome; volunteers under age 18 will require a parent's signature on a waiver.

Other OFA Programs

We're gradually resuming our popular Senior Exercise, A Matter of Balance and Tai Chi programs under New York safety rules. Please sign up for future volunteering opportunities.
