Dutchess County Office for the Aging Home Delivered Meals

A hot midday meal to most locations is available Monday through Friday. Frozen and shelf-stable meals are available for other days. Menus are approved by a Registered Dietitian, and clients receive a complete assessment as well as ongoing nutrition education and counseling, if desired. For information call **(845) 486-2555**. There is a small suggested donation - but nobody will be turned away because of an inability to pay.
