Health Insurance Information, Counseling and Assistance Program (HIICAP)

What's HIICAP?

HIICAP is your free local source for impartial information about Medicare, Medigap policies and supplemental choices, Medicare Advantage Programs, other insurance questions, Medicare Prescription Drug Plans, EPIC (Elderly Pharmaceutical Insurance Coverage), and other benefit programs.

HIICAP is a federally-funded program from the Administration for Community Living (ACL). HIICAP is administered by the New York State Office for the Aging and is staffed locally by Dutchess County Office for the Aging staff and certified volunteers.

HIICAP provides you and your loved ones with unbiased information, education and counseling about Medicare and other health insurances. Trained staff and volunteers will answer all of your questions at no charge. There is a suggested donation for those who can afford to donate to the program.

To access HIICAP services by phone, contact the Office for the Aging at our HIICAP Hotline:

845-486-2566
