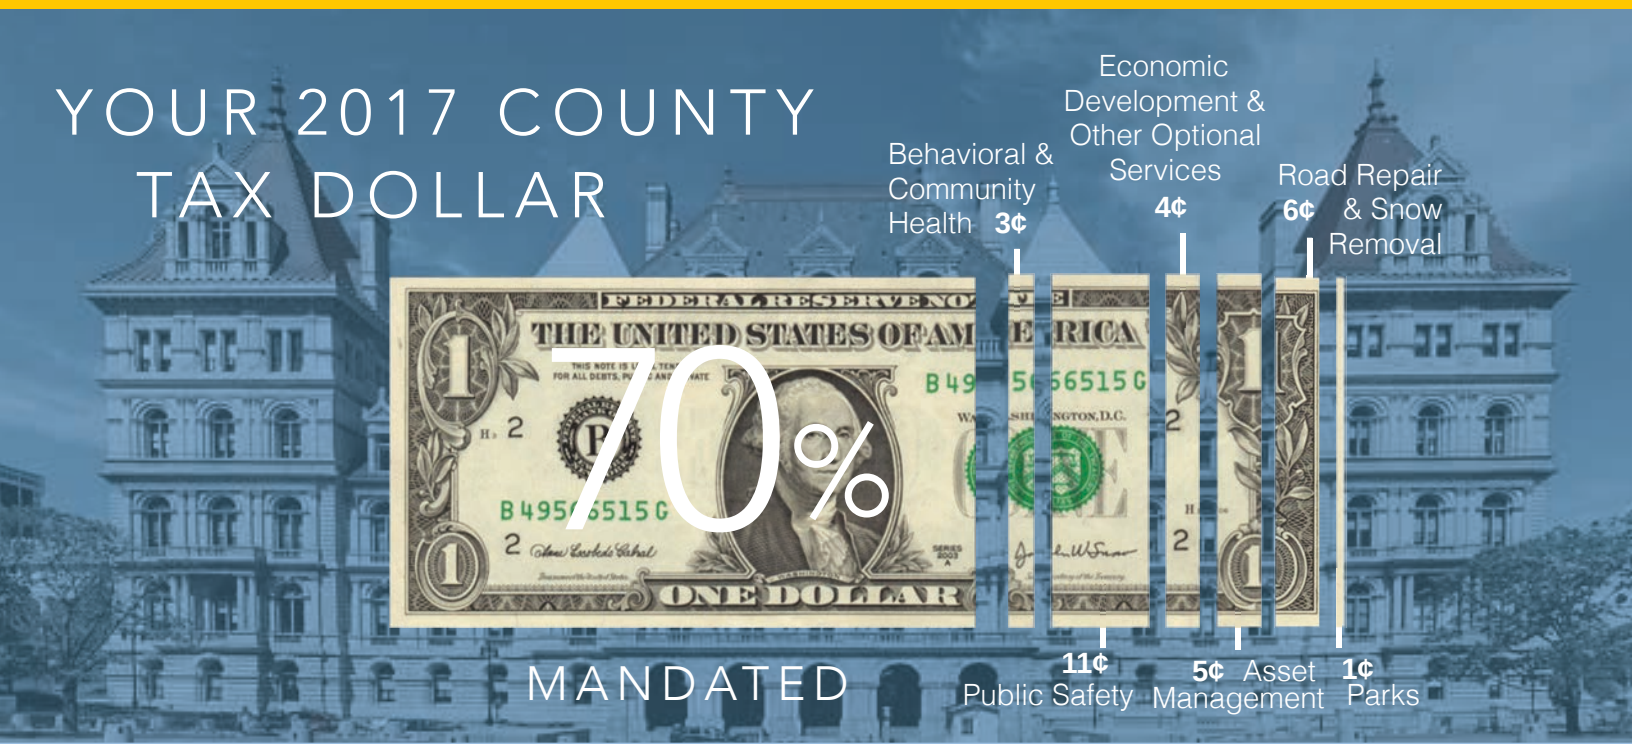
ANOTHER STATE **MANDATE**

The State of New York has a critical role in producing meaningful property tax relief. Mandates continue to consume 70% of every county tax dollar. The remaining 30% is "optional" spending on crucial government functions. Dutchess County has been sharing services and containing costs for years. New York State must do its share to reduce mandated costs.



PLAN SAVINGS:

2018		2019		Annually	
2.7%	$144	2.1%	$114	2.2%	$118

The State mandates taxpayer notification of the above percentage of savings associated with the plan and the estimated homeowner and business savings per year. The actual property tax levy, rate and possible savings for each taxpayer cannot be determined until all 2018 County, Municipal, School District and Special District budgets are adopted.
