Unless agreed to by the Member in advance, Equipment or Products must be delivered as operational to the Member's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced as stated in Vendor's Proposal.

Regardless of the payment method chosen by the Member, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Member at the time of purchase.

When providing pricing quotes to Members, all pricing quoted must reflect a Member's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Member's requested delivery location.

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Vendor must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Members. Vendor will use commercially reasonable efforts to ship Products ordered by Members before 4:00 p.m. local time within one (1) business day after acceptance of a Purchase Order, except for backordered, special-order, or out of stock Products. Additional charges may apply for desk-top delivery, special delivery, non-standard delivery, rush delivery, or special or custom order products or as noted on Vendor's e-commerce platform. Title and risk of loss for the Products will pass to Member at the time the Products are delivered to Member. Eligible products purchased online and picked up at a Vendor retail location will be available for pick up two hours after approval, charged at time of pick up, and cancelled if not picked up after five (5) days. Sales tax will be calculated based upon order pick up location. Member's invoice may not separately designate these items as "in-store pick up." Certain items may incur an additional charge (typically furniture items) which will be invoiced to the Member,

if applicable. Unless otherwise agreed by Vendor and a Member all orders shall be subject to a minimum order size of 35.00 per order. If an order below this amount is placed, the Member will be informed it cannot be processed.

Any such adjustments shall be noticed to Sourcewell with thirty (30) days prior written notice accompanied by supporting documentation. Vendor will work with Sourcewell and affected Members to identify alternative products to mitigate the impact of the foregoing where possible.

Updated Items. For purposes of contract management, Vendor may provide to Sourcewell an updated report no more than once a calendar quarter, which shall identify the SKU numbers and prices for the new items that Vendor and Sourcewell have added, as well as SKU numbers for items that have been removed from the Core List. Vendor may from time to time propose substitutions to Core Items. Sourcewell agrees that it will not unreasonably withhold its consent.

Members that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Members may also require additional requirements based on specific funding specifications. Within this Article, all references to “federal” should be interpreted to mean the United States federal government. The following list only applies when a Member accesses Vendor’s Equipment, Products, or Services with United States federal funds.

A. EQUAL EMPLOYMENT OPPORTUNITY. Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of “federally assisted construction contract” in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 C.F.R. § 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.” The equal opportunity clause is incorporated herein by reference.

B. DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148). When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5,

“Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Vendor must be in compliance with all applicable Davis-Bacon Act provisions.

C. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). Vendors must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Vendor agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Then, the Staples Facilities Specialist shares a customized presentation translating our findings into a straightforward, impactful current versus future state comparison. SMARTSIZE PACKAGING™ Order delivery is a major area of Staples' and our customers shared environmental footprint. Staples has rolled out award-winning SmartSize technology to most of our U.S. fulfillment centers that tailors box sizes to the exact size of the order. In addition to utilizing about 20% less corrugate, SmartSize lessens our use of air pillows by approximately 60%. In addition, it not only reduces packaging waste, but helps optimize the available space of our courier vehicles. ROBOTIC MATERIAL HANDLING SOLUTION Staples recently developed a cutting-edge robotic material handling solution for our fulfillment centers. Unlike other systems in the market today, the automated robotic storage and retrieval system incorporates two types of automated guided vehicles into a unified system that brings both high and low cubic velocity items to a single pick and pack station. This unique robotic material handling solution provides a more efficient and flexible warehousing operation that improves service to our customers. This solution is live in four of our fulfillment centers and is rolling out across our remaining fulfillment centers in the months to come. We are also exploring other potential applications for our groundbreaking technology outside of our fulfillment centers. E-COMMERCE Staples' new strategy is driven by the company's commitment to helping professionals make their workplaces more productive and connected, and to provide products and services designed to help inspire colleagues to do their best, most creative work. Central to our reimagined brand is an upcoming new, interactive digital experience to make it easier for customers to build a workplace that makes every employee's Worklife fulfilling and collaborative. The future online experience will connect customers to products and solutions in a variety of ways, from intelligent content and peer recommendations, to intuitive shopping and buying tools. Recent enhancements include making it easier to find and reorder product, improving basic ordering features and adding more self-service features. PRINT Technological advances are critical to our corporate strategy. Within print, new direct-to-plate, electronic proofing, digital presses, and electronic pre-press are constantly evolving. 50	Describe any performance standards or guarantees that apply to your services (back-orders, retired products, substitutions, order delays or problems, metrics, etc.).	<p>Delivering your order complete, correct, undamaged and on-time is as important to us as it is to you. Our Supply Chain Quality Assurance team partners cross-functionally within the Staples organization to drive an outstanding customer experience. This means we strive for orders to be picked complete and correct, delivered on-time to the correct location, without damages or defects, every day. The Staples' Supply Chain Quality Program includes:</p> <ul style="list-style-type: none"> • Quality Assurance Supervisors and Leads located in each of our fulfillment centers to drive process improvements • A central Supply Chain Quality Assurance team that develops tools and processes to help local Quality Assurance teams identify and address defects within the order fulfillment process • Conducting weekly interactive and cross-functional collaboration forums to share best demonstrated practices and trends within the business • Tracking key metrics on a daily, weekly and monthly basis <p>THE PROOF IS IN THE NUMBERS</p> <p>We track a variety of metrics to measure quality and service throughout our fulfillment and delivery operations.</p> <ul style="list-style-type: none"> • Fill Rate – Calculated as the percentage of in-stock items shipped from your primary fulfillment center. Our fill rate for 2018 was 97.1%. • Missing & Wrong Rate – Calculated as the percentage of total orders with an error. We count each issue within one order as separate errors. Our missing and wrong rate for 2018 was 0.37%. • Returns Rate – Calculated as the percentage of returns placed. When returns occur, we have processes in place to credit you quickly. Our returns rate for 2018 was 1.45%. • Delivered by Date Confirmed – Calculated as the percent of fulfilled shipments (excluding dropship) where all cartons were delivered on or before the date promised at order confirmation. Our delivered by date confirmed rate for 2018 was 92%. <p>If quality levels fall below expectations, we use a combination of root cause analysis and process improvement techniques to identify and resolve the problem. Our continuous improvement processes have resulted in year-over-year quality level improvement.</p> <p>BACKORDERS</p> <p>Staples goes to great lengths to stock the right assortment of products to meet our customers' needs. We use sophisticated inventory models to ensure that items are stocked in the right fulfillment centers and in the right quantities. We continuously gather customer input to determine which products to include in future stocking models, including the slower moving but necessary ones.</p> <p>Staples' fulfillment logic can source an item from the next closest fulfillment center or a wholesaler when an item is temporarily out of stock. This platform technology allows Staples to fulfill a high percentage of orders immediately. Orders filled by wholesalers are married up with your Staples orders for seamless, on-time delivery. During the implementation process, Staples can work with participating Members to eliminate wholesale items from your core list to offer the best selection of items at the optimal price.</p> <p>Users on StaplesAdvantage.com can also confirm that an item will be delivered the next business day by viewing the Expected Delivery Date notification which automatically displays per item during check out. The checkout page displays a banner when there's an out of stock item. This provides the end user with the opportunity to choose a replacement the item, if preferred.</p> <p>When backorder situations occur, customers receive an email notification alerting them of the delay and of the expected delivery date.</p>

Table 10: Payment Terms and Financing Options

Line Item	Question	Response *
51	What are your payment terms (e.g., net 10, net 30)?	<p>Staples' standard payment terms are Net 30 days. Each participating Member will remit all invoice payments, including all taxes on its product purchases to Staples in thirty (30) calendar days from receipt of invoice, unless otherwise agreed to in writing by Staples and Member. In the event a participating Member fails to comply in any material respect with the foregoing payment terms, Staples may, at its sole discretion and in addition to any other right or remedy available under applicable law or in equity, immediately suspend all deliveries to such Member's location(s) by written notice to such participating Member and to Sourcewell.</p>

52	Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?	Staples is flexible and utilizes multiple third-party leasing sources for eligible Staples customers. Participating Members may have an existing relationship with their own choice of leasing providers, and we may work with that provider if mutually agreed to. Leasing terms and conditions vary by lease provider and the requirements of the acquisition and are determined as the solution is developed and the leasing source is finalized. Our broad range of leasing options is flexible so that you can tailor the length, acquisition type and amount of your payments to meet your business' needs. Lease options include capital or operating lease options, giving you end of term options to keep (own), upgrade or return assets. Leases may allow for certain soft expenses like service, software and accessories to be include in the monthly payments for an asset acquired under lease. Staples can work with your organization to help finalize the option that best suits your needs.	*
53	Briefly describe your proposed order process. Include enough detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell Members' purchase orders.	Staples operates as a reseller/distributor and does not have a dealer network. Our key business goals center on helping our customers simplify the ordering process, eliminating hidden costs in the procurement process and enhancing delivery accuracy. We offer a variety of ordering methods to achieve these goals: <ul style="list-style-type: none"> • Online via StaplesAdvantage.com • Mobile App • Electronic Data Interchange (EDI) • Third-party interface • Buy Online, Pick Up in Store • Telephone (toll-free number) ORDER FULFILLMENT PROCESS <ol style="list-style-type: none"> 1) Order Placement – Once Staples receive the participating Member's order, it is entered into our order management system. Our system manages customer requirements and validates each order as it is placed. 2) Order Sourcing & Routing – Once in our system, the order goes through a standardized process that determines how to fill the order. The system chooses the best location to source the item, either from the primary or secondary fulfillment center or from a wholesaler — whichever will provide the shortest delivery time for the customer. 3) Box Creation – Next, the warehouse management system creates the optimal box size for each order. Our system analyzes the dimension and weight of each product to ensure their order is protected against damages without excess packaging material. Each carton receives a unique barcode to track it throughout the order cycle in our package tracking system. 4) Order Picking & Quality Control – Fulfillment associates pick orders, inspect for quality and pack orders for shipment. Methods for picking orders include pick-to-light, robotic picking and system-generated tasks to pick everything from a full pallet of paper to an individual toner cartridge. Sophisticated conveyor systems direct cartons through the required pick zones, through Quality Control for final inspection and then finally onto the correct truck for delivery. We perform regular analysis to ensure every order is a complete order — delivered the next business day, without substitutions or damaged, wrong or missing items. 5) Delivery – Once the source for an order is determined, our order management system determines the best method for delivery. Package tracking information uploads into our system once the fulfillment center processes the order for shipping. This tracking system reduces delays, errors and provides visibility to Customer Service Representatives and delivery associates. Customers can check the status of their orders through package tracking on our e-commerce site without contacting customer service. QUARTERLY REPORTING TO SOURCEWELL Staples understands this requirement and has the ability to provide quarterly reporting as requested. However, further discussion is requested on the distribution methods for reporting due to the size and scope of the metrics and transactions to be included.	*
54	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell Members for using this process?	Yes. Procurement Cards (P-Cards) represented by one of the major credit cards (Visa, MasterCard, American Express and Discover) may be used at the time of purchase. However, P-cards may not be used to pay invoices.	*

56	<p>Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.</p>	<p>Staples proposes the following pricing structure:</p> <p>Core List. The “Core List” represents net priced items which are inclusive of those products predicted to be the most commonly used products by Sourcewell and its participating Members. 57	Describe any quantity or volume discounts or rebate programs that you offer.	Our proposal reflects updated attributes related to pricing, rebates and incentives based on our experience with Sourcewell participating Members' behaviors and desires, as well as market conditions. Staples may offer additional pricing discounts and/or incentives to an individual participating Member based upon commitments and variables that may include, but not limited to, Member size and scope, geography, purchase volume, guarantees, logistical expenses, manufacturer support, specific product usage and other contractual terms/requirements. Members receiving custom pricing or incentives may be required to sign a Participation Agreement with Staples.	*
58	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	Staples customers frequently request we source goods and services on their behalf that could be non-stock or custom in nature and are within the scope of our sourcing and distribution capabilities. Staples will also facilitate access to these "Sourced Goods" and services to Sourcewell and its participating Members. Despite having hundreds of thousands of items available through our e-commerce site, Staples customers often have unique product sourcing needs that range from forklifts to industry-specific proprietary items. To fulfill these unique requests for our customers, Staples maintains a highly specialized non-stock procurement team available to assist our customers with these unique requests. Users can submit special order requests directly through our e-commerce site or through your Staples Account Manager. The non-stock procurement team works diligently to fulfill your product needs quickly and at the lowest possible cost. The prices for Sourced Goods shall be those prices that appear on the ordering platform at time of order, or as otherwise established between Staples and the applicable participating Member at the time the order is placed. Sourced Goods may include additional delivery or handling charges that would be the responsibility of the ordering Member.	*
59	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	There may be additional services available which are associated with certain products, including, but not limited to: furniture, facilities, technology, or water/coffee dispensers, etc. which at the option of the Member may be purchased or leased at the time of order/agreement. The costs for such services shall be paid to Staples by the Sourcewell Member. Additionally, there may be some items, typically furniture, where there may be an additional fee charge by the manufacturers that will be passed along to the ordering participating Member.	*
60	If freight, delivery, or shipping is an additional cost to the Sourcewell Member, describe in detail the complete freight, shipping, and delivery program.	Staples does not apply additional charges or fees for standard delivery. However, there are some special exceptions where a delivery or special handling fee may apply. Most fees will be displayed in your shopping cart on StaplesAdvantage.com upon ordering. Common delivery exceptions that require a surcharge include: <ul style="list-style-type: none"> • Furniture unpacking or assembly o Stair Carry for upper floor inside deliveries (lack of freight elevator or access to same) o Handling support for facilities that do not operate a fully functioning dock • Expedited deliveries • Deliveries outside Staples' standard distribution area (Alaska and Hawaii) • Bulky, fragile, or heavy items such as fireproof file cabinets, cases of water, soda, ice melt and chemicals • Or as otherwise indicated on our website at the time of purchase. Surcharges are calculated on a per-order basis. Freight will be listed as a line item charge for all Staples Promotional Products orders.	*
61	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Staples reserves the right to charge fees to the following locations unless otherwise mutually agreed between Staples and the participating Member. Delivery to Alaska or Hawaii. The following additional delivery terms apply for shipments to Alaska or Hawaii: Shipments up to 159 lbs. will be shipped with transit times of two to three (2 to 3) business days. Shipments over 159 lbs. or items which cannot be shipped via normal means, including any items which are classified as hazmat or ORM-D (other regulated materials for domestic transport only), are shipped via ocean freight. Staples' policies prohibit shipment of any fully regulated hazmat items. Such items must be shipped directly from the vendor. Ocean shipments will be delivered approximately fourteen (14) calendar days from the date of shipment. All shipments to Alaska or Hawaii will be subject to a 25% surcharge to help offset the cost of freight.	

Every country has specific requirements in which both the exporter and importer must follow; here are some additional specific details for U.S. Territories and Possessions:

Delivery to Puerto Rico. The following additional delivery terms apply for shipments to Puerto Rico: Shipments up to 150 lbs. will be shipped with transit times of two (2) business days. Shipments over 150 lbs. are shipped via ocean freight. Any goods classified as ORM-D (other regulated materials for domestic transport only) will also ship ocean freight, regardless of weight. No hazardous goods can be exported to Puerto Rico. Transit time is approximately seven to ten (7 to 10) business days from door-door. Buyer is responsible for all customs or tax filings or applications necessary to effect the importation of the Products. Delays may result from Buyer's failure to satisfy all customs clearance requirements. All taxes, fees, and other costs (including freight) will be charged back to Buyer on a separate invoice.

Delivery to U.S. Virgin Islands. The following additional delivery terms apply for shipments to the U.S. Virgin Islands: Shipments up to 150 lbs. will be shipped UPS WorldShip, using the most commercially advantageous WorldShip service available, with transit times of approximately three (3) business days. Products weighing over 150 lbs. will be shipped via ocean freight. No hazardous goods can be exported to these locations. Any goods classified as ORM-D (other regulated materials for domestic transport only) will ship ocean freight, regardless of weight, and will require an additional five (5) days of transit time. Buyer is responsible for all customs or tax filings or applications necessary to effect the importation of the Products. Delays may result from Buyer's failure to satisfy all customs clearance requirements. All taxes, fees, and other costs (including freight) will be charged back to Buyer on a separate invoice.

Delivery to American Samoa, Guam, Northern Mariana Islands. The following additional delivery terms apply for shipments to American Samoa, Guam, and the Northern Mariana Islands: Shipments up to 150 lbs. will be shipped UPS WorldShip, using the most commercially advantageous WorldShip service available, with transit times of approximately five (5) business days. Products weighing over 150 lbs. will be shipped via ocean freight. No ORM-D goods or hazardous goods can be exported to these locations. Buyer is responsible for all customs or tax filings or applications necessary to effect the importation of the Products. Delays may result from Buyer's failure to satisfy all customs clearance requirements. All taxes, fees and other costs (including freight) will be charged back to Buyer on a separate invoice.

Import/Export. If Staples agrees to export Products from the U.S. to Buyer's locations outside the U.S. (including but not limited to Mexico, Canada and all U.S. Possessions and Territories) (for these purposes referred to as "Other Locations"), the following applies: (a) Staples will not be the Importer of Record for any Products shipping to Other Locations. Buyer or Buyer's agent shall nominate a customs clearing agent to act on its behalf and to facilitate the import customs clearance process. Buyer shall be responsible for obtaining any documentation, such as special permit(s) or license(s) that may be required to import Products; (b) Buyer shall be responsible for payment of any customs clearance and duties and taxes and the full freight cost of the shipment; (c) Staples will not provide Certificates of Origin (C/O) or Free Trade Agreement certificates; (d) Staples will not export the following Products: ORM-D (Other Regulated Materials-Domestic); consumables; and/or Products prohibited from export by Staples' vendors; (e) Staples will not export Products to Other Locations in the event any export restriction applies; and (f) Staples will not accept returns from Other Locations unless agreed in writing.

62 Describe any unique distribution and/or delivery methods or options offered in your proposal.

Staples delivers an average of 675,000 cartons per day. Our delivery experience, combined with our advanced distribution network, makes us the industry leader. We recently increased the square footage across our 24 strategically located fulfillment centers, ensuring we have more product in stock for next-business-day deliveries. Staples uses a combination of our own fleet, national delivery services, Staples-exclusive carriers and third-party couriers to ensure the fastest, most efficient delivery options for our customers. Our third-party couriers undergo a rigorous evaluation process and we require them to meet our customers' service level agreements. Staples couriers are selected based on the caliber of their management and delivery drivers, their equipment and, more specifically, their ability to provide timely and excellent customer service.

PREMIUM DELIVERY OPTIONS

As part of each participating Member's account setup, we may meet to discuss the individual needs and develop delivery protocols that make it easy to do business with Staples. Our normal delivery hours are 8:00 a.m. to 5:00 p.m. local time, Monday through Friday. Requests for premium delivery service are vetted by our internal transportation team prior to approval. Examples of delivery service exceptions we have approved in the past include:

- Specific delivery windows (before noon, after 10:00 a.m., etc.)
- Desktop delivery (desk to desk)
- Inside delivery (specific floor)
- Mailroom delivery (by floor)
- Delivery to copy areas (where we leave a fixed number of cases of paper per mailroom, in some cases, stocking the shelves)
- Loading boxes through an X-ray machine prior to making delivery

Additional costs may apply for premium services and is customized based on each participating Member's specific requirements.

SAME-DAY DELIVERIES

Same-business-day delivery can be investigated as a possibility by contacting Staples Customer Service. To ensure all appropriate process checks are completed, we recommend a cut-off time of 11:30 a.m. local time. To account for added transportation costs and courier fees incurred on our end, we do require a separate charge for same-business-day requests.

Our industry-leading network of U.S. stores gives participating Members easy same-day purchasing solutions. Your employees can make in-store purchases and receive your customer pricing for both office supplies and a full range of print and marketing solutions. Or, use our Buy Online, Pick Up in Store option, and your items will be available for pickup in less than one hour.

There are some exceptions to same-day delivery service. The delivery location must be within 50 miles of a Staples fulfillment center. Further, the fulfillment center must have the capacity to handle the request that day. In addition, the following items cannot be delivered same day:

- Furniture
- HAZMAT items (this includes items that contain Lithium batteries)
- Liquid
- Food and beverage items
- Custom items
- Drop ship or special-order items
- Orders containing more than six SKUs

BUY ONLINE, PICK UP IN STORE

Participating Members can purchase a wide variety of items on StaplesAdvantage.com and pick their items up in one hour or less at any of our U.S. retail stores. This allows your users to buy within your established purchasing program, with your contract rules and pricing, for same-day purchases. Users can even filter by Pick Up in Store to make those emergency purchases quicker.

PRINT TO STORE

Participating Members can also use Staples' Print to Store option to print directly from their computer to any Staples retail location for pickup. From black & white or color printing to binding and booklet options, Print to Store offers more than 2,000 finishing configurations for your employees' printing needs. Print to Store bills directly to your Staples account, ensuring compliance and more robust tracking while providing easy, on-the-go printing services for your remote and traveling employees.

Participating Members can upload and reconfigure their documents, save their files for future reordering and proof all orders online before submitting. At any time, they can submit their orders right from their desktop to Staples, with delivery to any Staples retail location.

STAPLES PROMOTIONAL PRODUCTS

Staples Promotional Products has a 500,000 square foot contract decoration and distribution center in Orange City, IA. This facility does embroidery, screen print, laser engraving, digital heat transfer, and more. We have pick-to-voice technology and use a pack-right shipping system to cut boxes to the order size. Our facility is centrally located for distribution throughout the U.S. We also use FedEx as our preferred shipper but can utilize any major carrier service. As of 2019, it's also moved to achieve zero waste to landfill status.

Table 13: Audit and Administrative Fee

Line Item	Question	Response *
64	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcwell. This process includes ensuring that Sourcwell Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcwell.	<p>At Staples, we take our national contract obligations seriously. We have a long history of providing accurate pricing and conducting compliance audits with Sourcwell and its participating Members. To maintain contract compliance, we continually verify our pricing data and hold ourselves accountable to the highest internal pricing standards. As such, we have multiple processes in place to ensure pricing accuracy and consistency. For example, national contract pricing is managed and maintained by a single, knowledgeable and experienced pricing team. This ensures that all pricing is consistent with the contract terms and requirements. We also review pricing on a regular basis and compare it to the contract pricing requirements. This further guarantees that your participating Members receive pricing that is consistent.</p> <p>Staples may also work with manufacturers to frequently spot-check and audit pricing and discounts that are applied to customer orders. Additional audits and periodic pricing checks may be conducted randomly throughout the term of the contract to add an extra level of protection and audit control as deemed necessary to maintain our pricing integrity.</p>
65	Identify a proposed administrative fee that you will pay to Sourcwell for facilitating, managing, and promoting the Sourcwell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	<p>Unless otherwise mutually agreed to in writing by Sourcwell and Staples, and except as stated below, Staples will pay Sourcwell an administrative fee of one and half percent (1.5%) of the Members' aggregate Net Sales during each calendar quarter, which have been timely paid, to be paid within forty five (45) days after the end of each calendar quarter.</p> <p>An exception to the above 1.5% admin fee would be that Staples will pay Sourcwell one half of one percent (0.5%) administrative fee for participating Members' aggregate Net Sales under the managed print services ("MPS") program of the Contract and one quarter of one percent (0.25%) on technology product Net Sales.</p> <p>Net Sales. Net Sales will be defined as the gross sales price of the applicable products sold pursuant to this Contract, less shipping costs (including freight charges and insurance), taxes, duties, any rebates actually paid, discounts and allowances actually taken, rejections and returns to the extent credit is given or paid, and also excluding purchases made via staples.com, or any Staples retail channel.</p>

Table 15: Industry Specific Questions

Line Item	Question	Response *
79	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	Some internal metrics used to measure success with the contract include number of participating Members under the contract, geographic distribution of participating Members, sales and number of orders by participating Member and year over year sales growth. Additionally, success metrics can be mutually established and measured in scheduled business reviews between Staples and Sourcewell. Having serviced Sourcewell participating Members for many years, we know that we need to continually raise the bar in our national contract performance. As a current Sourcewell awarded supplier, we commit to increasing our overall value with the built-in flexibility to accommodate the evolving needs of your participating Members.

80	<p>If you are a dealer, distributor, or reseller, describe your capabilities for verification of product authenticity, quality control, and documentation of custody in your supply chain.</p>	<p>Staples is committed to providing high quality products that last, leading to fewer returns, fewer reorders and less frustration for our customers. To uphold this commitment, we capture reporting and regularly audit the quality of the products we source from suppliers, as well as from Staples-exclusive products. Staples' strict product sourcing process assures that products offered are genuine by sourcing products only from OEMs and authorized resellers to mitigate the risk of cloned, fake or counterfeit products that could potentially put Sourcewell Members at risk.</p> <p>ANNUAL VENDOR REVIEWS</p> <p>We only source from the most trusted and reputable suppliers in our industry, including leading wholesalers and brands such as 3M, HP, Avery and HON. We conduct annual vendor contract reviews to measure our suppliers' quality performance. We evaluate the number of returns placed on their products as well as general customer satisfaction survey feedback. At 1.45%, our low product-return rate is a testament to our relentless focus on quality.</p> <p>PAPER & WOOD-BASED PRODUCT SOURCING POLICY</p> <p>We also actively work with our key paper suppliers to ensure transparency into their sourcing and production methods with respect to environmental and social responsibility. The majority of our paper suppliers have achieved chain of custody certification with one or more programs, including the Forest Stewardship Council (FSC) and Sustainable Forestry Initiative (SFI). Approximately 90% of the paper products we sell by weight in the U.S. are manufactured and/or distributed by vendors with FSC chain of custody certification, including brands like Domtar, International Paper, Georgia Pacific, Kimberly Clark, 3M, Esselte, Fellowes, Marcal and others. Our Paper and Wood Based Product Sourcing Policy forms the foundation of our commitment to ensure the paper products we sell are sourced in an environmentally and socially responsible manner. It also defines our expectations for suppliers of paper-based products. The policy focuses on four key areas:</p> <ul style="list-style-type: none"> • Protecting forest resources and communities by seeking to source certified products • Reducing demand for virgin wood fiber • Sourcing from suppliers committed to environmental excellence • Promoting responsibly sourced paper and wood products to our customers <p>PROGRAMS & PARTNERSHIPS</p> <p>We collaborate with a few key non-profits to help us improve paper and wood product sustainability. This includes partnerships with the Rainforest Alliance on the Appalachian Woodlands Alliance and various projects with the Forest Products Working Group (FPWG), an initiative of GreenBlue.</p> <p>PRODUCT BRANDS EXCLUSIVE TO STAPLES QUALITY ASSURANCE</p> <p>Product brands exclusive to Staples are subject to a comprehensive Quality Assurance program that includes:</p> <ul style="list-style-type: none"> • Product Design – Product brands exclusive to Staples are designed to meet or exceed national brand equivalent specifications. • Factory Certification – Production facilities in developing countries undergo third-party audits to uphold our standards for social responsibility and to guarantee practices are in place to deliver quality products. • Rigorous Testing & Inspection – All products are engineer-tested for quality in leading independent labs. Inspectors pull samples from the production line to confirm that products are manufactured to our exact specifications before they ship to our warehouses. • Continuous Monitoring – Throughout a product's lifecycle, inspectors pull samples for follow-up lab testing to certify that the product still meets our specifications. <p>MONITORING PRODUCT QUALITY</p> <p>On the rare occasion that a product fails to meet a Member's satisfaction, we offer fast and easy resolution methods:</p> <ul style="list-style-type: none"> • Purchasers can return any item using our no-hassle online returns process or by contacting Customer Service. • We arrange driver pickup for all product returns at no cost to participating Members. <p>We thoroughly analyze damaged or defective items and ensure our manufacturers address the underlying quality issue. To further reduce the environmental impact of our delivery process, we use boxes made from 35% to 100% recycled material. This approach to packaging results in an annual carbon footprint reduction of more than 30,200 tons, equivalent to 120,000 trees. • Box Logic – Our warehouse management system uses a series of algorithms that automatically choose the smallest delivery box from eight standard sizes, based on the combined dimensions of items in the order, reducing packaging waste. • Wholesaler Initiatives – As part of our fulfillment process, Staples utilizes three national wholesalers to support our product requirements. We work diligently with these suppliers to confirm they are reducing shipping materials for our customers. The products shipped by our wholesalers undergo similar sizing analysis by their computer systems. <p>Reducing packaging waste is important to our commitment to help the environment. In addition to the internal initiatives above, we're actively working with customers to minimize packaging waste by reducing the frequency of small orders through order consolidation. Reducing maverick spend can dramatically impact the effectiveness of your procurement program. Staples uses multiple strategies to keep program compliance high and costs low.</p> <p>MINIMUM ORDER SIZE Unless otherwise mutually agreed to by Staples and a Sourcewell participating Member, Sourcewell and its Members shall have a minimum order size of \$35.00 per order.</p> <p>ORDER CONSOLIDATION: REDUCING SMALL, INEFFICIENT ORDERS Industry statistics show the average cost for processing a single order transaction can be as high as hundreds of dollars depending on the organization and payment processing systems. An order placed by phone costs Members significantly more than an order placed electronically. We'll educate participating Member's end users on online order placement.</p> <p>Benefits include:</p> <ul style="list-style-type: none"> • Reduced order processing costs • Faster and easier ordering • Fewer ordering mistakes - fewer product returns • Real-time tracking of product delivery status <p>Staples can communicate ordering best practices to their end users during the implementation process and on a continuous basis through client-approved customized flyers, newsletters and emails.</p> <p>ONLINE COMPLIANCE CONTROLS StaplesAdvantage.com also drives program compliance with features like:</p> <ul style="list-style-type: none"> • The ability to customize their home page with messaging to communicate key program rules (such as minimum order requirements) and guide purchasers to preferred-item shopping lists • Shared or personal shopping lists populated with commonly ordered or preferred core items • Optional spending and approval controls that eliminate inefficient and costly small orders <p>RETAIL PURCHASING PROGRAM & IN-STORE PURCHASING Today, customers can use the Buy Online, Pick Up in Store option and Print-to-Store to get what they need, when they need it for same day purchases. Or, they can take advantage of our Retail Purchasing Program, which ensures customers can shop in stores to receive their custom pricing or in-store sale price, whichever is lowest at the time of purchase, in any Staples store throughout the U.S.</p>

The Proposer understands that it is the Proposer's duty to protect information that it considers nonpublic, and it agrees to defend and indemnify Sourcewell for reasonable measures that Sourcewell takes to uphold such a data designation.
