Dear Mr. Coughlan,

The Dutchess County Soil and Water Conservation District Board of Directors and I have received and reviewed the Audit Report for calendar year 2015. We recognize and accept the findings as positive for growth and accountability within our operations. The SWCD staff thoroughly appreciated the efforts and guidance your auditors provided throughout the audit process. The Board of Directors and I will continue to develop plans to implement meaningful policies and procedures based upon the findings and recommendations held within the report.

Again, we thank you and your staff for the level of professionalism and assistance that was shown throughout this effort.

Respectfully,

Brian F. Scoralick
Executive Director
