HOW TO PROTECT YOURSELF & OTHERS

Wash your hands regularly! Avoid touching your face, eyes, nose etc.

Disinfect frequently touched surfaces and objects. Viruses can survive for days on surfaces.

Practice Social Distancing. Keep at least 6-feet between you and others.

Stay home when possible. Only go out when absolutely necessary.

Face coverings must be worn by everyone outside of their home.

WHAT ARE THE SYMPTOMS?

Shortness of Breath

Fever

Cough

COVID-19 symptoms may appear in as few as 2 days or as long as 14 days after exposure.

If you are experiencing symptoms, call the Coronavirus Hotline at (845) 486-3555 for information about symptoms and testing.

WHAT IF I AM SICK?

Stay home when you are sick! Rest, recover, avoid others.

Cover your mouth and nose with a tissue or sleeve when coughing or sneezing.

Call your doctor if you have flu like symptoms

If you believe you have contracted COVID-19, call ahead to your primary care doctor or urgent care so that they can take necessary precautions upon your arrival. Do NOT go directly to the hospital unless you are in distress.

HOW TO GET TESTED

Several sites are open in or near Dutchess County for those experiencing symptoms of coronavirus.

- MidHudson Regional Hospital - Poughkeepsie
- Nuvance at Dutchess Stadium - Fishkill
- Nuvance at Tech City - Kingston
- Pluse MD Urgent Care

Call the Coronavirus Hotline at (845) 486-3555 or visit: dutchessny.gov/coronavirus for details.
