

Surrounded by Science

Red Hook Public Library Summer 2019

* Children ages 5 - 7

Food & Farm Lab

11:30 - 12:30, July 1 - 3, & 5

Discover why cookies need salt and how farmers predict the weather.

Solar Lab

11:30 - 12:30, July 15 - 19

Explore the science behind sunscreen and use a solar oven.

* All Abilities Kids & Teens

Science Lab

10:00 - 11:00, July 15 - 19

Science experiments and learning adapted for children & teens with intellectual and/or cognitive disabilities

To register, call the library.

845-758-3241

* Children ages 8 - 11

Food Lab

1:00 - 3:00, July 1 - 3, & 5

Uncover the science of cupcakes and figure out what it takes to invent new flavors of ice cream.

Farm Lab

at Hardeman's Orchards

10:00 - 12:00, July 8 - 12

Experience how weather, bugs & animals work together on a successful farm.

Solar Lab

1:00 - 3:00, July 15-19

Harness the power of the sun to bake cookies & power BugBots.

Body Science Lab

10:00 - 12:00, July 22-26

What keeps your heart beating while you sleep? Get inside the science of the human body.

* Youth ages 11+

Crash Lab

1:00 - 3:00, July 8 - 12

If a watermelon could drive, what kind of seat belt would it need? Build a go-kart to figure it out.

Video Reality Lab

1:00 - 3:00, July 22 - 26

Would Ryu beat M.Bison every time if *Streetfighter* were real? Dissect fight scenes with martial arts & video game experts.

* Teens ages 14+

Fashion Design Lab

6:00 - 8:00 pm, July 22-26

Versace's got nothing on you. Design, draft and sew a garment. We'll help.

* Little Kids

Playground Stories

10:00 on Mondays
Meet us on the new playground at Red Hook Rec Park for some outdoor storytime fun.

Summer Storytime

10:30 on Wednesdays

Stories, songs and crafts in the Children's Library.

Saturday Stories & Drawing

11:00 on Saturdays

Family storytime followed by drawing in the Children's Library.

No registration is required for programs for little kids.

* Family Fun Pop-Up Library!

With Bard College Center for Civic Engagement & Mill Road Elementary School, Pop-up Library takes free books and STEM projects on the road.
