Dear Bill,

As requested, here is a breakdown of funding from Dutchess County over the past seven years and the federal funds that were leveraged from federal agencies during this time. As you can see, we were able to successfully compete for >\$7.6M in support from four federal agencies in part because of county-level support. The vast majority of these federal monies were spent within the county, with the biggest expenditure being on personnel – i.e. jobs. I hope this will help in your efforts to secure at least some modest funding for our research on tick-borne disease in 2010. Please let me know if any additional information would be useful.

With gratitude for your years of leadership on the Tick Task Force and other aspects of county governance,

Rick
