Resolution of the Dutchess County Farmland Protection Board

At a meeting of the Dutchess County Farmland Protection Board ("Board") held on the 6th day of June, 2013 in Millbrook, NY, the following resolution was adopted by a vote of the entire Board, to wit:

WHEREAS, Section 303-b of the New York State Agriculture and Markets Law establishes a mechanism on an annual basis for parcels of land comprised of predominately viable agricultural land to be included within the state's Agricultural Districts; and

WHEREAS, Section 303-b of the New York State Agriculture and Markets Law sets forth the requirement that the Legislative Body in every county in New York State with existing Agricultural Districts must designate an annual 30-day period during which landowners may apply for inclusion of their agriculturally viable land in the Agricultural Districts; and

WHEREAS, Dutchess County Legislative Resolution 204098 established an annual thirty-day period extending from April 15 to May 14 during which Landowners may summit such requests to the legislature to include their properties in the Agricultural Districts; and

WHEREAS, During the one month period extending from April 15, 2013 to May 14, 2013, the Dutchess County Farmland Protection Board received such applications on behalf of the Legislature; and

WHEREAS, The Dutchess County Soil and Water Conservation District, acting as a consultant to the Board, conducted a review of the agricultural characteristics of all such applications received by the Board; and

WHEREAS, the same Dutchess County Soil and Water Conservation District, found in the process of conducting the aforementioned review that the certain parcels itemized below are located within one of the Dutchess County's four Agricultural Districts and have present a high percentage or large acreage of viable farmland as required by Section 303-b of the Agricultural Districts Law; and

WHEREAS, the same Dutchess County Soil and Water Conservation District specifically recommended that certain parcels itemized below qualify for inclusion in the Agricultural Districts due to the character of viable farmland found to be present on these properties; and

WHEREAS, the Board, in the context of the standards established by Section 303-b of the Agriculture Districts Law, has duly considered the merits of the each and every parcel application it has received; therefore be it

RESOLVED by a majority vote of the Dutchess County Agriculture and Farmland Protection Board on June 6th, 2013, that the Board recommends to the Dutchess County Legislature that the following 33 parcels constituting a total of 2017.268 acres of land to be added to the respective Agriculture Districts pursuant to Section 303-b, including 9 parcels comprising 313.73 acres in Agricultural District 20, 4 parcels comprising 200.41 acres in Agricultural District 21, 9 parcels comprising 813.7 acres in Agricultural District 22, and 11 parcels comprising 689.428 acres in Agricultural District 23:

1. Harry Baldwin called the meeting to order at 7:00.

2. Ed made the motion to approve the minutes of the April 30 meeting which were sent out in advance and passed out at the meeting, Jennifer Fimbel second passed.

3. Ag Data-Town of Northeast was sent a letter supporting the Kaye Ranch Education Center for beginning farmers. 13A would still be used as CSA Sol Flower, 50A for education center.

4. The steering committee selected Nan Stultzenberg for consulting for the DCFAP Plan after revising the budget and consulting John Brennan of Ag & Mkts., contract with Dutchess County is underway.

5. The Steering Committee will meet June 21 at 11:00 to finish selecting stakeholders and begin the process of working with Nan to update the plan.

6. June 18, 1-5 at the Farm & Home Center, Ag & Mkts will hold an education session for all who received a grant to update plans from the Hudson Valley.

7. Agricultural District Annual Inclusions: Ed Hoxsie of the Dutchess County Soil and Water Conservation District informed the Board that applications had been received in each of the County's four Agricultural Districts from landowners wishing to enroll their properties in the Districts as part of the 303-B Annual Enrollment process. As required by the Dutchess County Legislature, such applications can be made during the one month period from April 15 to May 14.

Ed provided detailed information to the Board about each application received and reviewed by his office in each of the County's four Agricultural Districts (20, 21, 22, 23).

Applications already in the District: Ed informed the Board that an applications for one parcel that is already in an Ag District was received this year. This properties was the Kevin & Marie Halton property (17 acres, Town of Clinton, District 20).

Application not recommended for inclusion: The Board reviewed the recommendation of the Soil and Water Conservation district that one application from the Town of Pawling in District 23 not be recommended for inclusion. The Board concurred with the conclusion that parcel #6956-00-437472-0000 (10.765 acres), owned by Thomas R. Hartford does not consist of predominantly viable farmland. The property is almost entirely wooded, and its soils are steep, poor, and highly prone to erosion. On this basis, the Board voted to accept the recommendation not to include this parcel.

District 20: The Board reviewed the recommendations of the Soil and Water Conservation District to include a total of 9 parcels in the towns of Clinton, Milan, and Rhinebeck Agricultural District 20 on the basis that they consist of predominately of viable farmland, or provide a buffer for existing agricultural operations and lands already enrolled in the District. Each property was discussed and voted on separately in relation to the criteria for annual inclusion. In each case the recommendation to include the parcel was accepted.

District 21: The Board reviewed the recommendations of the Soil and Water Conservation District to include a total of 4 parcels in the towns of North East and Washington in Agricultural District 21 on the basis that they consist of predominately of viable farmland, or provide a buffer for existing agricultural operations and lands already enrolled in the District. Each property was discussed and voted on separately in relation to the criteria for annual inclusion. In each case the recommendation to include the parcel was accepted.

District 22: The Board reviewed the recommendations of the Soil and Water Conservation District to include a total of 9 parcels in the towns of East Fishkill, Fishkill, and LaGrange in Agricultural District 22 on the basis that they consist of predominately of viable farmland, or provide a buffer for existing agricultural operations and lands already enrolled in the District. Each property was discussed and voted on separately in relation to the criteria for annual inclusion. In each case the recommendation to include the parcel was accepted.

District 23: The Board reviewed the recommendations of the Soil and Water Conservation District to include a total of 11 parcels in the towns of Beekman, Dover, Pawling, and Union Vale in Agricultural District 23 on the basis that they consist of predominately of viable farmland, or provide a buffer for existing agricultural operations and lands already enrolled in the District. Each property was discussed and voted on separately in relation to the criteria for annual inclusion. In each case the recommendation to include the parcel was accepted.

Art Collings made the motion to complete the resolution to approve parcels included, already in and denied. Eddie Hackett second, passed. Minutes of the resolution and inclusion meeting will be emailed for approval so it can reach the Legislature by July 11.

8. PDR: Fishkill Farms is nearing completion and should close by June 19. The Echo Valley Farm, LLC, the Klose family, 103A Scenic Hudson and Dutchess Land Conservancy, DCFPB will write a letter of support to sell their development rights.

9. Next meeting July 22.

WHEREAS, Chapter 24 of the Laws of 2013 permits claimants to serve notices of claim upon the Secretary of State rather than effecting personal service of such notices upon the municipality which is the subject of the claim, and

WHEREAS, the statute directs the Secretary of State to forward copies of notices of claim served in the above-referenced manner to the municipalities involved, and

WHEREAS, Section 53 of the General Municipal Law requires that municipalities, including Dutchess County file a certificate in the office of the Secretary of State designating the Secretary of State as the agent for service of notices of claim and providing the name, post office address and electronic mail address of an officer, person or designee, nominee or other agent-in-fact for the transmittal of notices of claim served upon the secretary, now, therefore, be it

There is no associated cost to the county for this resolution, however there is a fee of $250 for a person to file a notice of claim to the State. Should this occur, the county would receive half of the fee or $125 per claim filed. The revenue derived from this, will depend on the number of claims filed with the Secretary of State. It should also be noted that a person may still file a notice of claim directly with the county at no cost.
