| May 16, 2019 | 1:00 PM | Rachel Dildilian <i>Timeline of Tick-borne Diseases in Dutchess County</i> |

Please consider participating in a study with Dr. Fallon to develop better tests and treatment. Blood samples will be collected May 15 from 3:30 – 8:30 PM from residents previously diagnosed with Lyme or Powassan Virus at Dr. Horowitz's office, 4232 Albany Post Road, Hyde Park (one-mile north of Wallace Center on Route 9)

Plus as a new addition, the Dutchess County Tick Task Force would like to showcase the artwork of those that use art as part of their healing process during the 3-day event.

For more information on how to showcase your work during the event, please use the following link <https://forms.gle/c8ycnfFR7r5yLNF68>

For further information, please contact the Legislature at (845) 486-2100 or countylegislature@dutchessny.gov
