# Quality Assurance

Committee meeting this afternoon to discuss the following

1. What are the priorities for evidence based programming in jail and the community?
2. How do we coordinate efforts with jail and community providers?
3. What curricula should be utilized throughout the system?

# Crises Center

Are there any updates on this?

# Community Based System Gaps & Key Themes

- A need for more early intervention options
  - Crisis Center, etc.
- A need to focus more on crimenogenic risk & need
- Evidence based curricula needs to be utilized throughout the system
- Evidence based crimenogenic risk need tool (COMPAS) needs to be utilized by ITAP and other providers
