We rely on donations; therefore, quantities are limited. Pet food donations are always appreciated. If your organization is interested in holding a pet food drive for us, please contact Jerry Lemere, Pet Food Pantry Manager - jlemerejr@aol.com, or leave a message at 845-392-5300. Pet food can ONLY be given out on Saturdays when our pet food pantry is open. Thrift shop volunteers cannot give out pet food on other days. Please call to make sure we are open. We are a 100% volunteer organization. If we do not have volunteers, we do not open. If we are closed, please come back the following Saturday.

241 Crum Elbow Road, Hyde Park

(845) 229-6080

Hours of operation: Friday 2-4:30 PM

The Dutchess County SPCA accepts donations of pet food, pet items in good condition or other supplies to help those in our community facing economic difficulties. Many times, due to life changes people are no longer able to pay for food for their pets and are forced to consider surrendering their best friend for adoption.

At a time when a family might be faced with job loss or the loss of a parent, the support of a beloved pet can be vital. Our goal is to keep the family pet in the family and to prevent another animal from coming into the shelter.

The Dutchess County SPCA is partnering with Reach Out Food Pantry of Hyde Park to provide residents of Dutchess County in need of food for their pets. This program aids those who need temporary help with caring for their pets.

Donations are especially welcomed.
