

### (A3) SAFETY OFFICER – Evolution reminders

1. The Safety Officer has the authority to intervene and control any phase of any training evolution, when in His/her judgment, a potential or actual danger, accident or unsafe operation exist.
2. The Safety Officer is responsible for the Safety of all persons on the scene, including students, instructors, visitors, and spectators.
3. He/she will not undertake any duties that would interfere with his/her duties
4. Additional safety personnel or crews as determined to be necessary by the safety officer or Lead Instructor shall be strategically placed within the training area to react to unplanned or threatening conditions.
5. Fire ground communication and accountability must be established to provide for coordination between the instructor, interior, and exterior operation, the Safety Officer and the back-up crews.
