

Dutchess County Citizen's Advisory Committee Minutes
June 18, 2019

Present: Christopher Howard, Devon Navarro, Dennis Quinn, Mark Papish, John Mahoney, Tim Murphy, Jimmy Pearson (phone) Laurie Colgan

Minutes from the May 15, 2019 meeting were approved with the following correction: Millbrook Village is a Fire Department who contracts with Town of Washington Fire Protection District.

Old Business: Reports from our sub committees were given.

Public Information Committee: Cathi is putting together the questionnaire and it will be online.

Elected Official Education Committee: There has been no coordinated activity at this time.

The Northeast RFP: NDP was the only agency that responded but the proposal was for individual coverage for each municipality. There is nothing the committee can do to change anything. Unfortunately the municipalities will not see a savings by combining service to these areas.

CGR Contract/Visit: We have not heard anything back from CGR. Attendance for meetings with Paul Bishop was light.

There was discussion regarding the need for BLS vs ALS.

John Mahoney said that he was at REMSCO and the feel is that there will be a change to 209B regarding the ability to bill for ambulance service.

New Business: None

To Do:

*John will Doodle Poll to find the best date for our next meeting.

*Both Education groups will continue to work on their projects.

Meeting adjourned at 11:52 am
