

SOCIAL DISTANCING AT DUTCHESS COUNTY PARKS

Help Keep Our Parks & Trails Open & Safe for All!

1

KEEP IT SMALL

Avoid crowds and groups. If crowds are forming, choose a different park or trail, or return later. Visit alone or only with those in your household.

2

STAY 6-FEET APART

Stay 6-feet from others at all times. On trails, alert others when passing and step aside to allow others to pass.

3

VISIT LOCAL & NOT TOO LONG

Enjoy parks or trails close to home. Avoid high-traffic areas and move quickly through parking lots, trail heads, and scenic overlooks.

4

STAY HOME

If you don't feel well, stay home. If you are over 70 years old or have underlying conditions that put you at higher risk, postpone your visit.
