Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

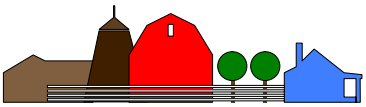
As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.



Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County

Dear Landowner,

New York State law requires that Agricultural Districts within each county be regularly reviewed and recertified (refer to NYS AGM Article 25AA, section 303-A). This review process is beginning in Dutchess County and will be completed later this year. Our records indicate that you have land currently in, or potentially eligible to be in, an Agricultural District.

As part of our review, we ask that you complete a review worksheet, providing all requested information, as soon as possible, but by May 30th at the latest, for any property you wish to be included in the Agricultural District. We encourage you to complete the worksheet online at: https://www.surveymonkey.com/r/3Z3LV28.or scan the QR code below. The information you provide will be used for statistical purposes only. Your responses will be kept confidential and will not be disclosed in an identifiable form to anyone other than staff pertinent to the Agricultural District program.

If you have questions about how to enroll your parcel(s) into an Agricultural District, please call 845-605-2075 (to leave a message) or email agdistrict23@cornell.edu.

Sincerely,
Agriculture and Farmland Protection Board of Dutchess County
