Application Instructions & Guidance

Program Overview

To address the negative economic impact of the COVID-19 public health emergency on youth-serving organizations, Dutchess County is investing in youth-serving libraries, arts organizations, and sports organizations. The intent of the grant funding is to enhance and empower opportunities for children to learn, play, and create, while filling an educational, financial, social, and/or emotional void as a result of the quarantine and stay-at-home orders necessitated by COVID-19.

Funding Information & Limits

The estimated availability is \$3,000,000. Funding will be awarded as a one-time advance payment on a first come, first-served basis until all funding has been allocated. Applicants will be notified if their request has been approved or denied within 45 days of receipt of their application.
