# YOUTH APPLICATION

Exploring is based on a unique and dynamic relationship between youth and the organizations in their communities. Local community organizations initiate a specific Explorer post or club by matching their people and program resources to the interests of young people in the community. The result is a program of activities that helps youth pursue their special interests, grow, and develop.

Explorer posts/clubs can specialize in a variety of career skills. Exploring programs are based upon five areas of emphasis: career opportunities, life skills, citizenship, character education, and leadership experience.

### Tips for completing the Application for Exploring Youth Participant:

- Print—do not use cursive.
- Use black or dark blue ink.
- Press firmly when printing.
- Print one letter only in each box.
- Use uppercase letters and stay within the blue boxes for legibility.
- Fill in circles; do not use check marks.
- Make sure you have all needed signatures on application.
- Don't alter the application—it could affect the quality of the scan.
