

# Dutchess County Division of Solid Waste *Program Menu*

## **Adult Program**

### **Sustainability Practices:**

Presentation that covers sustainability practices in Dutchess County, including recycling, reuse, composting, and more.

## **Youth Program**

(5 - 10 yrs)

### **Sustainability Practices:**

Presentation geared towards children that covers sustainability practices in Dutchess County, including recycling, reuse, composting, and more.

## **Youth Program**

(5 - 10 yrs)

### **Sustainable Crafts:**

Crafting with sustainable materials  
*(seasonally dependent)*.

Activities could be dyeing textiles with produce juice, making bird feeders from cartons and painting, making bookmarks with pressed leaves/flowers, and more.

## **Toddler Program**

(1 - 4 yrs)

### **Compost Storytime & Activity:**

Storytime featuring books about composting, gardening, and sustainability. This is followed by a sensory activity with fake compost (gardening soil and fake produce) and a felt board matching game!

**Schedule between 9-2 pm, M-F. For more information:**
