

JULY NEWSLETTER

COOKOUTS

Cookouts are a great way to celebrate the summer, but don't forget to save those leftovers! If you can't use them, consider composting the organics.

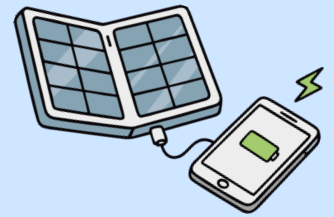

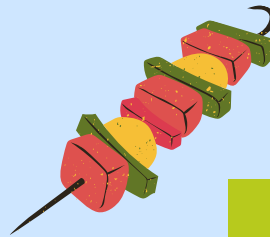

Opt into using reusable dishware and local food, too.

REUSABLES & RECHARGEABLES:

Camp with reusable gear to minimize waste. Stainless steel and glass works best for food.

Rechargeable camp lights, batteries, and solar powered equipment also reduce your environmental impact.
