

# RECOMMUNITY BEACON, NY

# ReCommunity Company Overview

- ReCommunity is the largest pure-play recycling company in the United States. Headquartered in Charlotte, NC
- With 33 facilities in 14 states and 30+ years of industry leading experience
- More than 1.7 million annual tons processed in 2013
- Saved more than 2.6 Million Cubic Yards of Landfill space in 2013

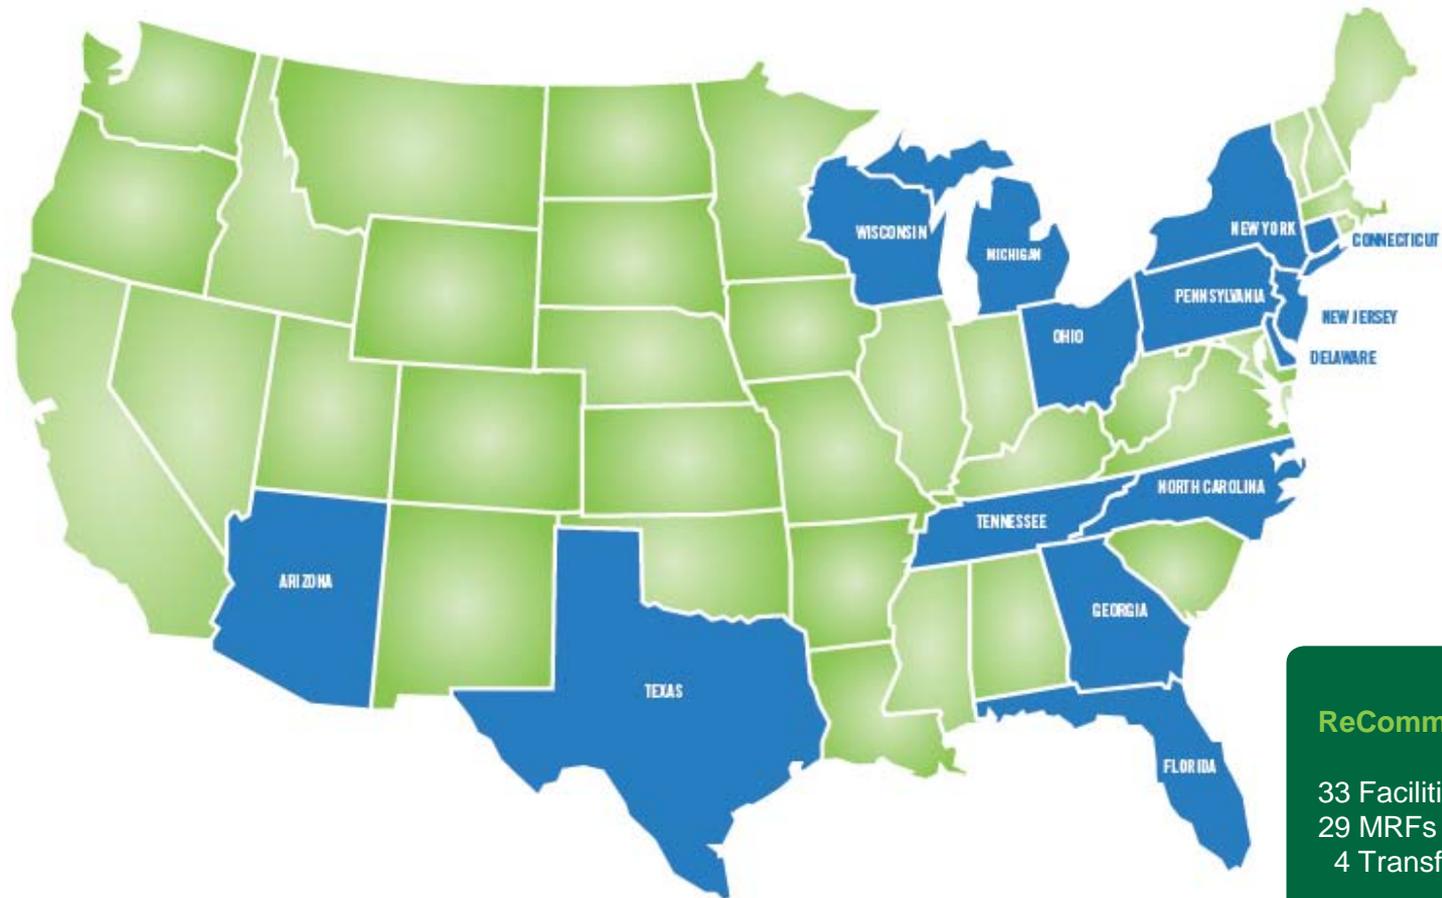

# No Conflicts

## A “Pure-Play” Model

- No conflicts mean:
  - We don't own landfills.
  - We don't own collection trucks.
  - We don't own paper mills.
  - We live and breath on maximizing recovery.
  - We designed our model that way.
- We don't own them because if we did, our decisions would not be based solely on maximizing recovery for communities.

## ReCommunity Stats:

33 Facilities

29 MRFs

4 Transfer Stations

ReCommunity Locations 

# SINGLE STREAM RECYCLING

# Single Stream Conversion

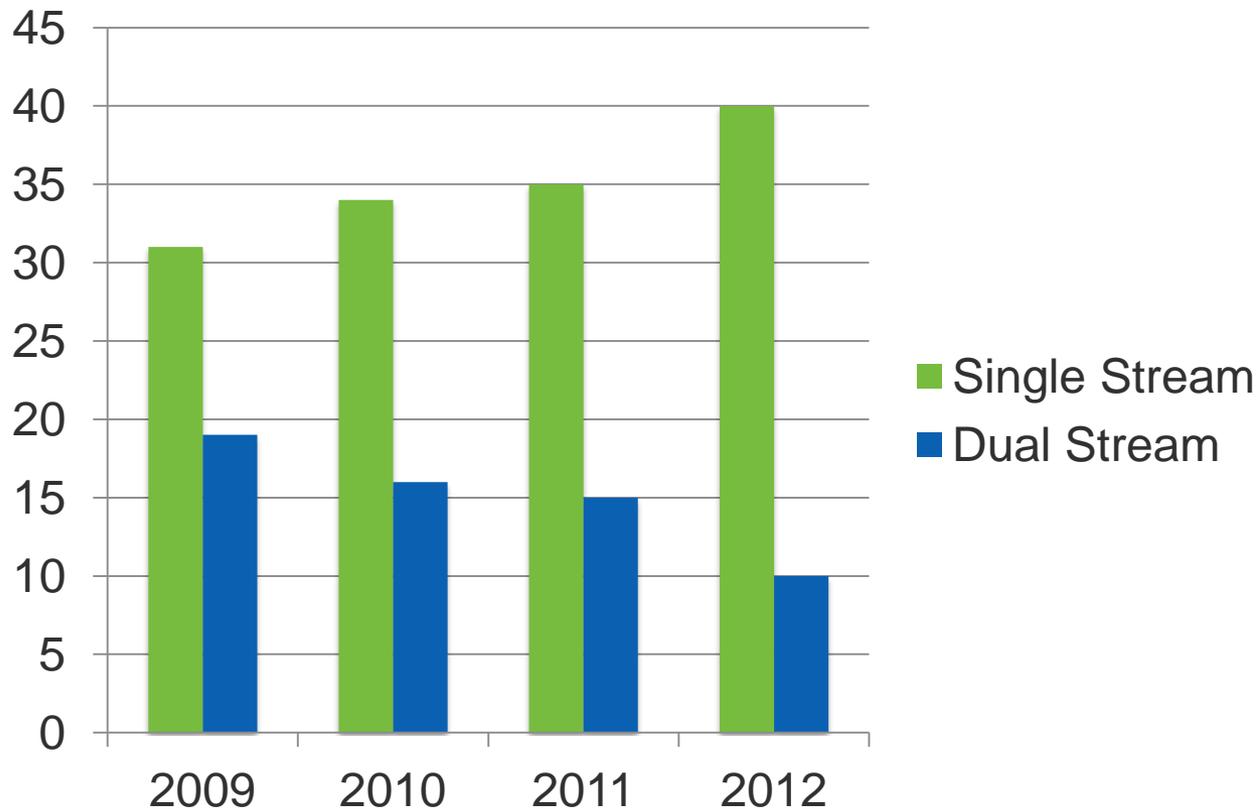

- Reduces collection costs
- Reduces carbon footprint
- Reduces disposal fees to landfill
- Communities typically increase recycling tonnages by 25%-60%

# Trends – Single vs. Dual Stream

## Top 50 Communities in U.S.

# State-of-the-Art MRFs

## Automated and Efficient MRF's

- Continuously invest in the most advanced processing technologies to maximize the volume and quality of recyclables.
- Efficient Site Design
- Process starts at the tip floor
- Pre-sort is crucial
