

PUBLIC COMMENTS

The DCTC held a 30-day public comment period from July 26-August 24, 2022. We also held a virtual public meeting on August 10, 2022 to introduce the TIP and answer questions. We received one comment via email that referenced an item in our Self-Certification Report (Appendix C) – specifically questioning the transformative qualities of the recommended 3-to-2 lane road diet in the Poughkeepsie 9.44.55 study. As the TIP does not include such a project, we recorded the comment as part of our post-study coordination process. No other comments were received. The Draft FFY 2023-2027 TIP was made available on our website and in print upon request.
