### — FFY 2026-2030 Transportation Improvement Program (TIP) — Amendment #26-01

The Dutchess County Transportation Council (DCTC) proposes an amendment to its [Federal Fiscal Year \(FFY\) 2026-2030 Transportation Improvement Program \(TIP\)](#), the five-year capital program that assigns federal funds to transportation projects in Dutchess County. We periodically update the TIP to add new projects, remove existing projects, or change a project's cost, schedule, or scope. We classify significant changes as amendments, which require a 15-day public comment period prior to action. Amendment #26-01 makes the following changes to the TIP:

- Adds a new NYSDOT project to replace the Spackenkill Rd Bridge (NYS Route 113) over US Route 9 in the Town of Poughkeepsie (PIN 800703)
- Adds federal funding to an existing NYSDOT project to improve the NYS Route 52/82 intersection in the Town of Fishkill (PIN 802175)

The changes add over \$21 million in new highway investment in the county. See the attached project listings for more information.
