

## Who is the DCTC?

We are the Metropolitan Planning Organization (MPO) for Dutchess County. We ensure that federal transportation funds are spent using a comprehensive and locally driven planning process. We also provide a forum for State and local officials to discuss transportation issues.

ARLINGTON MAIN STREET  
REDESIGN INITIATIVE

### Core Products

- **Transportation Plan:** our Plan serves as the strategic guiding document for improving transportation in Dutchess County over the next 25 years.
- **Capital Program:** our 5-year capital program assigns federal funding to highway, bridge, walking, bicycling, & transit projects.
- **Planning Program:** our annual work plan identifies upcoming planning studies and tasks.

### Regional Planning

We work with Ulster and Orange Counties to address:

- Congestion, Freight, & Transit

### County-wide Planning

We work on studies to understand key issues:

- Walking and Biking
- Climate Vulnerability
- Speeding
- Traffic Trends
- Pavement Condition
- Human Services Transportation

### Local Planning

We work with communities on:

- Parking Studies
- Complete Streets
- Corridor Studies
- Pedestrian Plans
- Safety Assessments
- Data Collection & Analysis
