VALLEY DALE ~ OCT. 2021 Sign up for Dutchess Delivery email notifications at www.DCWWA.org on the System Alerts and Advisories page.

YOUR BILL, RATE, & FEE SCHEDULE – Enclosed is your bill for water/sewer service provided to your property for the period July 2021 through Sept. 2021. Copies of the adopted 2021 rate/fee schedules have been posted on the Authority’s website and are available upon request. The DCWWA does not send out Past Due notices. Any amount that is in arrears is added, with late charges, to your next scheduled bill.

PROPOSED 2022 RATES & PUBLIC HEARING – Each November the Authority holds a Board meeting to announce the proposed water and sewer rates for the upcoming year for which the public is welcome to attend to voice any questions or concerns. Check our website in October for the day/time the meeting is scheduled. A Notice will be e-mailed in October to announce the day/time of this meeting to all residents that have signed up for e-mail notifications at www.DCWWA.org on the Systems Alert and Advisories page. Sign up today so you can be notified.

REQUEST FOR DEFERRED WATER PAYMENT AGREEMENT DUE TO COVID-19 RELATED FINANCIAL HARDSHIP
Any residential or small commercial (25 or fewer employees) water customers, or commercial water customers whose account serves residential premises, that has experienced financial hardship due to the COVID-19 Pandemic emergency may request a payment deferral for water bill(s) without late fees or penalties. Deferred Payment Agreements are available for water bills issued during the time that the State of Emergency is in place. To enter into a Deferred Payment Agreement, customers must submit a Payment Deferral Request Form to DCWWA, by mail or by email. The Payment Deferral Form can be accessed here: https://www.dutchessny.gov/Departments/Water-Wastewater/Docs/Deferment_Request_Form.pdf or one can be requested from DCWWA by calling (845) 486-3601 or by emailing dcwwabilling@dutchessny.gov. Relieving past due water charges is prohibited for an additional 180 days after either the expiration of the COVID-19 State of Emergency or December 31, 2021, whichever is earlier, for those customers that have entered into a Deferred Payment Agreement

MAINTAIN ACCESS TO METER/REMOTE READ HEADS - Please keep the remote read head area, or meter pit access lid, if applicable, clear in order to facilitate access for our meter readers for inspection. Wires to remote read heads must be protected by the property owner. A penalty is assessed when a meter/remote read head is damaged by the owner’s action or negligence. If we are unable to read the outside remote or meter because access to it is encumbered, you may be subject to an Inaccessible Meter Charge. If there is a discrepancy between the inside meter and the remote read head, it is the meter that takes precedence.

CUSTOMER CORRESPONDENCE – Please do not send address changes, concerns, or inquiries on your bill payment stub or enclose other correspondence with your payment. Instead, e-mail these issues to Marie Smith at mgsmith@dutchessny.gov. Please include your name, daytime phone number, and account **LOOK-UP NUMBER** on all your correspondence.

RULES AND REGULATIONS – The customer agrees to be bound by the terms of the DCWWA Water/Sewer Rules and Regulations available on our website www.DCWWA.org and upon request.

CALL BEFORE YOU DIG – Before doing any form of *mechanized* excavating on your property, call “811” at least 3 business days in advance of the work.

PAYMENT – Payment of your water bill should be by check or money order made payable to “Dutchess County Water and Wastewater Authority” or “DCWWA”. Please include the top portion of your bill when making your payment and write your **LOOK-UP NUMBER**, on your check/money order. Mail your payment at least one week prior to the bill due date to ensure on-time delivery. Payments arriving after the due date are considered late and a penalty fee will be charged.

CLOSINGS – Please allow *five business days* to arrange for a closing bill when you sell your home or property since an inside water meter reading is required. Only the current homeowner can call to schedule the closing meter reading and close the account. A realtor or future home buyer cannot request this. To request a closing bill, call (845) 486-3601.

CONTACT INFORMATION: Main Number: (845) 486-3601, Mon.–Fri. 9–4pm or dcwwa@dutchessny.gov. Billing e-mail: dcwwabilling@dutchessny.gov. System Operation issues call the Main Number Mon.–Fri 9-4pm or e-mail dcwwa@dutchessny.gov. Emergencies: call JCO, Inc. at 845-754-1926 or 845-796-8127 or after 4 pm and weekends: 845-431-6677.

IMPORTANT NOTICE: COLLECTION THROUGH TAX BILLS

The Dutchess County Water and Wastewater Authority is empowered to collect unpaid water/sewer bills through the real property tax collection process. All accounts in arrears as of **September 15, 2021** from the DCWWA Valley Dale water/sewer service area will be referred to the County property tax collector for inclusion on the January 2022 Real Property tax bill. This applies to the total amount due as of September 15, 2021, including applicable late charges if the payment is received after the due date. An additional late charge of 5% of the total balance in arrears will be added. Once the referral of unpaid accounts has been made to the tax collector, those charges will appear on the next property tax bill and may only be paid through the property tax collection process. Please keep your account up to date as the Authority cannot accept and process payment for any delinquent water/sewer charges past September 15, 2021. If your payment is received after that date, it will be applied to your next bill. **Any residential or small commercial (25 or fewer employees) water customers, or commercial water customers whose account serves residential premises, that has experienced financial hardship due to the COVID-19 Pandemic emergency may request a payment deferral and relief from relieving until December 22, 2021 by contacting DCWWA.**
