

Payments for water and sewer bills

will only be accepted electronically on our website, or by mailing to our Buffalo address only.

No cash or check payments will be accepted at the 1 Lagrange Avenue office in person or by mail.

Pay Electronically: DCWWA is now able to accept your bill payments on-line at our website: www.dcwwa.org. Call us at 845-486-3601 or email us at dcwwabilling@dutchessny.gov if you need assistance to register for this service.

Pay by Mail: Mail payments to: DCWWA
Box 8000, Department 232
Buffalo, NY 4267-0002

AIRPORT WATER LINE ~ SEPT.

Sign up for Dutchess Delivery e-mail notifications at www.DCWWA.org on the System Alerts and Advisories page.

YOUR BILL – Enclosed is your bill for water/sewer service provided to your property for the period of May 2023 through August 2023. The DCWWA does not send out Past Due notices. Any amount that is in arrears is added, with late charges, to your next scheduled bill.

RATE & FEE SCHEDULE – Copies of the adopted 2023 rate/fee schedules have been posted on the Authority's website, www.DCWWA.org, and are available upon request.

PROPOSED 2024 RATES & PUBLIC HEARING – Each November the Authority holds a Board meeting to announce the proposed water and sewer rates for the upcoming year for which the public is welcome to attend to voice any questions or concerns. Check our website in October for the day/time the meeting is scheduled. A Notice will be e-mailed in October to announce the day/time of this meeting to all residents that have signed up for e-mail notifications at www.DCWWA.org on the Systems Alert and Advisories page. Sign up today so you can be notified.

PHONE CALL ALERT SYSTEM -Please sign up for the phone call alert system so that you can receive *Emergency Alerts that require your immediate attention*, such as a Boil Water Notice, in a timelier manner. Send your name, address, phone number, water system, and look-up number to our email address: DCWWA@dutchessny.gov

MAINTAIN ACCESS TO METER/REMOTE READ HEADS - Please keep the remote read head area, or meter pit access lid, if applicable, clear in order to facilitate access for our meter readers for inspection. Wires to remote read heads must be protected by the property owner. A penalty is assessed when a meter/remote read head is damaged by the owner's action or negligence. If we are unable to read the outside remote or meter because access to it is encumbered, you may be subject to an Inaccessible Meter Charge. If there is a discrepancy between the inside meter and the remote read head, it is the meter that takes precedence.

CUSTOMER CORRESPONDENCE – Please do not send address changes, concerns, or inquiries on your bill payment stub or enclose other correspondence with your payment. Instead, e-mail these issues to dcwwabilling@dutchessny.gov. Please include your name, daytime phone number, and account **LOOK-UP NUMBER** on all your correspondence.

RULES AND REGULATIONS – The customer agrees to be bound by the terms of the DCWWA Water/Sewer Rules and Regulations available on our website www.DCWWA.org and upon request.

RESTORATION OF WATER SERVICE – Water service is turned on or off at the curb or main by the DCWWA. Unauthorized persons are **not** permitted to turn water on/off. Requests to turn water service on or off must be made in writing. Please note that per the rate/fee schedule, the monthly service charge remains in effect even when the water is shut-off.

PAYMENT – Payment of your water bill should be by check or money order made payable to "Dutchess County Water and Wastewater Authority" or "DCWWA". Please include the top portion of your bill when making your payment and write your **LOOK-UP NUMBER**, on your check/money order. Mail your payment at least TWO weeks prior to the bill due date to ensure on-time delivery. Payments arriving after the due date are considered late and a penalty fee will be charged.

CLOSINGS – Please allow *five business days* to arrange for a closing bill when you sell your home or property since an inside water meter reading is required. Only the current homeowner can call to schedule the closing meter reading and close the account. A realtor or future home buyer cannot request this. To request a closing bill, call (845) 486-3601.

CONTACT INFORMATION: Main Number: (845) 486-3601, Mon.–Fri. 9–4pm or dcwwa@dutchessny.gov. Billing e-mail: dcwwabilling@dutchessny.gov. System Operation issues call the Main Number Mon.–Fri 9-4pm or e-mail dcwwa@dutchessny.gov. Emergencies: Central Dutchess Water Transmission Line: 845-471-0917 or after 4 pm and weekends: 845-431-6677.

IMPORTANT NOTICE: COLLECTION THROUGH TAX BILLS

The Dutchess County Water and Wastewater Authority is empowered to collect unpaid water/sewer bills through the real property tax collection process. All accounts in arrears as of **October 13, 2023** from the DCWWA **Airport Water Line service** area will be referred to the County property tax collector for inclusion on the January 2024 Real Property tax bill. This applies to the total amount due as of October 13, 2023, including applicable late charges if the payment is received after the due date. An additional late charge of 7% of the total balance in arrears will be added. Once the referral of unpaid accounts has been made to the tax collector, those charges will appear on the next property tax bill and may only be paid through the property tax collection process. Please keep your account up to date as the Authority cannot accept and process payment for any delinquent water charges past October 13, 2023. If your payment is received after that date, it will be applied to your next bill.
