

TEMPORARY SERVICE INTERRUPTION

TIVOLI WATER SYSTEM

DECEMBER 02, 2025

8:00am to 3:00pm

Due to repairs being made for a valve and hydrant replacement within the Tivoli Water System, water service will be temporarily shut off to the following areas:

- **Kaatsbaan Road**
- **Lower Broadway**
- **Flora St.**
- **Friendship St.**

Please prepare for this situation by drawing some water for your use during this period. The County Health Department has been notified. Once water service is restored you may notice some discoloration in your water; we suggest running an inside faucet or outside spigot for a few minutes to clear your pipes.
