

WATER SYSTEM LABORER – ENTRY LEVEL POSITION -NO EXPERIENCE NECESSARY

The Dutchess County Water and Wastewater is seeking a motivated individual for an entry level water system laborer position. \$18.64 per hour plus great benefits including medical, dental and optical insurance (with employer contribution), NYS Retirement System, and paid time off.

This is a 40-hour per week position based at our Water Treatment Plant on South Road in the Town of Hyde Park, Dutchess County.

Work involves assisting with water distribution maintenance tasks including water line flushing and exercising of valves; water main location and repair work; excavation and pavement repair; grass cutting, weeding and raking; snow removal; and building maintenance and cleaning.

Valid NYS Driver's License required.

Training opportunities for the right individual could lead to water operator certifications.

Please submit applications to the attention of Chief Water Treatment Plant Operator:
