

# Law Enforcement Computer-Aided Dispatch (CAD) Shared Service

**Project Award:  
\$187,000**

Upgrade and consolidate the Town's dispatch system with the County's system.

Data sharing will reduce response times and increase first responder safety.

Est. Savings –

-\$691,000 for initial system purchase

-\$42,000 in annual maintenance costs

The screenshot displays the Sun Ridge Supervisor - RIMS Version 18.10.1 interface. The main window shows incident details for 111104001, including address (202 N 2ND AV), caller (HUNTER, TAB), and vehicle information (PLYMOUTH LASER). A description indicates a vehicle was stolen from a parking lot. Below this, a list of recommended units (P1, S10, P2, M2) is shown with a 'Premise Ofcr Safety' and 'Hazard' warning. A detailed incident log follows, showing the sequence of events from 11:30:43 to 11:30:45. At the bottom, a '24 Units' table lists available units and their status.
